Summer...please get here fast!

Sitting in front of the computer, yet again late for my letter! I did the president thing 10 years ago back when the Scene was a monthly deal. But...that is what we had for communications to our membership so it was actually pretty easy to sit down and write an article. A little bit about what happened and a little bit about what will happen and it was all in a 30 day period.

Now...we have email blasts, Facebook....I know somewhere out there our phones will start being bombarded with tweets containing up to the minute updates. Now, in order to write my article, I have to expand my memory to what happened over the last month or two and then again what will happen over the next month or two.

All I can say...the most accurate information you can get from me are those "sort of" weekly emails!

Speaking of writing articles...we would really like to see some articles from the event participants! Way back when I was a "newbie" I think I wrote to the Scene at least once a quarter and submitted a few pictures. I know I had at least two Scene covers from my pictures. I used to write about the fun, friends, preparation and nervousness about my upcoming events. Articles from new members are always a good read.

As far as events I attended since my last letter,

I attended the Zone 13 presidents meeting in Springfield on March 19th. For those of you who are not aware, the Chicago Region is one of 7 Porsche Club entities within what is called Zone 13. Geographically, this is pretty much everything in the State of Illinois and Milwaukee. The "head" of the zone is Chicago's very own Jim Jacisin. I learned that we are very fortunate to have the volunteer group that we have in addition to a membership base that is very active when it comes to participating in our regions 70+ activities.

Sue and I gave the Rallye School a shot on April 10th. There was a great turnout at Perfect Power and Tom and Ann Snyder along with Jack Stevenson put on a great presentation. Due to a family commitment...hanging out and doing the practice rallye did not happen.

The following weekend came the first double header weekend of the year for our Region. My email blast told you all that the weather was going to be great and you were not disappointed.

There was a Porsches & Pastries on April 16th in Barrington at Ambrosia Euro-American Patisserie. This event was extremely well attended as it was one of our first good weather events of the year. The Goodie Store was in attendance and I added yet again another PCA Chicago Region shirt to my collection. And a small of pastries found their way to my house.

The next day was Rallye 1. Again...due to a family commitment my rallye partner was not able to attend. But I thought I would get out and work a check point. Sitting at check point one, I knew that the first rallye / easiest rallye of the year was going to be different when Jack Stevenson came into check point one a good 70 seconds early. It was a hectic 25 minutes or so as the cars did not come in in the sequence or timing I was expecting.

Autocross School on April 24th was a very well attended event run by a great group of people...Ed Russ, Jim Ptak, Cheryl Lehman Collier ran a very well-coordinated event. Check out the regions Facebook page as I am sure you can find some great pictures taken by Neil MacDonald and Jeff Brown.

May started out with Autocross 1. Again at Boomers Stadium, Scott McClement and team had to deal with rain to start the day and some timing problems in the middle. In the end, all went well. For me....it was the first Autocross I participated in about 10 years. I was not last...definitely not first but it was fun to toss the car around a bit. A special thanks to Wesley Ptak for being my "AX mentor" for the day.

I usually do not comment on Board Meetings as well...they are board meetings. But, the one we had this past Friday, May 6th was one for the ages. Actually the end of an era. For the last time we were at the Park Ridge VFW hall. We will need to find a new home.

Some other items of note;

Again...we would really like to see some articles. Feel free to email articles to our Scene editor, Kim Faehnrich at boharley14@yahoo.com. No promises but if you don't try...how can you get published?

We, or our treasurer, David Angelus went through the usual year end accounting and income tax filings. No issues...all in good shape. As always...anything you would like to know from a financial well-being standpoint for the Club...please give me a call.

Helmets...yes we need helmets. Helmets that have not been dropped or not involved in an accident are typically good for a ten year period. And every 5 years the new models come out. So for someone like myself, I bought a helmet called a "2010"...which means there is a sticker inside that says 2010 and that one will be good until 2020. Acquired in 2011, 2012, 2013 or 2014...it would be stickered as 2010. What does all the mean? It means that under normal conditions, the 2005 helmets would have to be replaced this season BUT do to some manufacturing issues creating a lack of availability...the 2005 will be good until December 31, 2016. Confused?? Me too so just call John Ruther at Northstar Motorsports at (800) 356-2080 and John will make sure you have what you need.

I think that is it. Of course I did not make all the events but I will try to make as many as possible. Daughters last year of high school soccer, Chicago Cubs games to attend (the only baseball that matters to me!), Lollapalooza...and I really miss going to NHL hockey in May and June!

Until next time....

Chuck LaMantia, President

SPRING TECH SESSION

APRIL 3, 2016

Tech Team News

Due to the limited availability of the Snell SA2015 Helmets, The Chicago Region will be following the lead of PCA Club Racing and extend the expiration of the Snell SA2005 helmets to January 1st, 2017.

Even so, the Snell Foundation recommends that helmets be replaced every five years, and drivers with Snell SA2005 helmets should take that into consideration when deciding if they should purchase one of the many Snell SA2015 helmets available now or as the one they want becomes available, or change to a helmet of a different manufacturer or model which is available.

If you have already purchased a new helmet, Tech would like to ask you to donate your old helmet to be used as a "Loaner" for our AutoCross and Drivers Ed events.

I'd like to thank everyone that came out last year to help out in the Tech Line, especially those who came out to help even though they were not driving at that event.

If you would like to join the 2016 Tech Team or would like to be added to the Tech Team email list, please contact me at pca.chicago.tech@gmail.com or give me a call at 630-476-2267. No experience is necessary, we are willing to train, and it is a great place to meet the members and learn about the cars.

WANTED:

If you would like to be a host or if you have any ideas of what you would like to see at one of our Tech Sessions, please let me know.

I'd also like to hold another Chicago Region Swap Meet for those of us that have a garage full of parts that are looking for a new home. If anyone is interested in providing a location for us, please contact me.

Spring Tech Session

A BIG Thank You to John and Jeannie Ruther and the Northstar Motorsports staff for hosting our annual Spring Tech Session. While John gave us the latest news on the Snell 2015 helmets and the other new items available for 2016, Jeannie provided us with lunch, desserts, and refreshments. I would also like to mention that John donated all the Registration proceeds to the Chicago Region Charity.

Tech Team members Dennis Costis and Christian Muehlich were in charge of Registration, while Glenn DeWeirdt and John Westra gave a demonstration/explanation of what happens when you bring your vehicle through the Tech Line. And, our own Jeff Brown was there to capture everything on camera.

brakes, Brakes, BRAKES!

Your car's brakes, in conjunction with the tires, are the MOST important components when you're driving at the track. A proper brake flush, along with adequate brake pads, are critical to your vehicle's braking system. Always bring along spare brake pads and fluid, for back up. When you take your car in for service, please take a copy of the DE Tech Sheet along and explain that it needs to be done properly. Our requirements have been compiled through years of experience and are there for YOUR safety.

Please remember that you, the driver, are responsible for the condition and safety of your car.

Autocross 2016

"Precision Car Control" Schedule

Autocross is an inexpensive opportunity to aggressively drive your Porsche, or other performance vehicle, in a controlled, and safe environment. Drivers navigate one at a time through a defined course outlined with road cones. You will likely be surprised at the activity level required due to the number of elements we pack into each course. You will test and improve your driving skills while experiencing the impressive handling performance of your car.

Everyone is encouraged to attend, particularly if you plan to participate in any other driving events throughout the year. Join us for some fun while becoming a better driver!

1

Sunday May 1, 2016 - Boomers Baseball Stadium

1999 S Springinsguth Rd, Schaumburg, IL 60193

Those who attended our Precision Car Control Clinic held on April 24, 2016 will be familiar with this fantastic venue. Boomer's Stadium is centrally located in Schaumburg, IL (just West of Route 59/355) and an ideal location for Autocross.

2

Sunday June 5, 2016 - Rockford Speedway

9572 Forest Hills Road Loves Park, IL 61105

This is a 1/4-mile, high-banked, asphalt race track sanctioned by NASCAR and has more than 60 years of history. The result: This place has *character*. Today the speedway is ours to have some fun and to improve our car handling skills. This venue is a bit off the beaten path but well worth the trip—as anyone who has driven here can attest.

3

Sunday July 10, 2016 - Tire Rack

7101 Vorden Parkway South Bend IN, 46628

This event will be hosted by the very generous folks of the Tire Rack who will allow us to use their test track. Tire Rack uses this track to test the tires they sell in real world conditions to provide tire performance comparisons to customers. Always a very popular location among our regular participants. Tire Rack is located about 1.5 hours outside of Chicago, just off of Interstate 80.

4

Saturday August 27, 2016 - Boomers Baseball Stadium

1999 S Springinsguth Rd, Schaumburg, IL 60193 60193

We are trying a Saturday event this year! Please join us for an exhilarating day of driving followed by camaraderie at a nearby establishment (location TBD). This venue is centrally located in Schaumburg, IL (just West of Route 59/355) and an ideal location for Autocross.

5

Sunday September 18, 2016 - Boomers Baseball Stadium

1999 S Springinsguth Rd, Schaumburg, IL 60193 60193

We finish the season at Boomer's Stadium. This is your last chance before the end of the year to test your skills in a controlled, safe environment. This venue is centrally located in Schaumburg, IL (just West of Route 59/355) and an ideal location for Autocross.

Requirements:

- Valid driver's license
- Snell 2005 (or newer) helmet SA or M approved
a few loaner helmets may be available
- Participants must work the course after they drive
- Minors must provide junior waivers signed by at least one attending parent (preferably both)
- Close-toed shoes required
- Please empty your vehicle upon arrival so your vehicle can be "Tech" inspected

Cost Per Event:

1st Driver:

- \$45 PCA Member
- \$45 Non-member guest

2nd Driver:

- \$45 Sharing car with Member
- \$20 Family member*
- *Please register as 1st driver

1st or 2nd Driver:

- \$50 Non-Porsche Participant

Onsite-Registration:

- +\$5 to prices above

Other Details/Recommendations:

- Please pre-register at www.clubregistration.net
- Guests may drive member's Porsche or another performance vehicle
- Sunscreen and plenty of water
- Registration opens at 9:00 am. Driver's meeting 10:15 am
- Events run rain (light-medium) or shine. Learn even more if it is wet!

2016 Rallye Season

Tom and Ann Snyder, Rallye Coordinators

The Chicago Region hosts Time-Speed-Distance rallies. A TSD rallye is one where you match your navigational and driving skills against a Rallye Master who will provide directions and speeds over specified distances. The Rallye Master computes the perfect time and contestants are scored by their measured time against the perfect time.

We have a full season of five rallyes from April to September, preceded by the Rallye School on April 10th. At each rallye, awards will be presented to the top six rallye teams, and to the top novice team. In addition, season awards will be presented at the Annual Banquet in December to the top five rallye teams, and to the top Novice Rallye team.

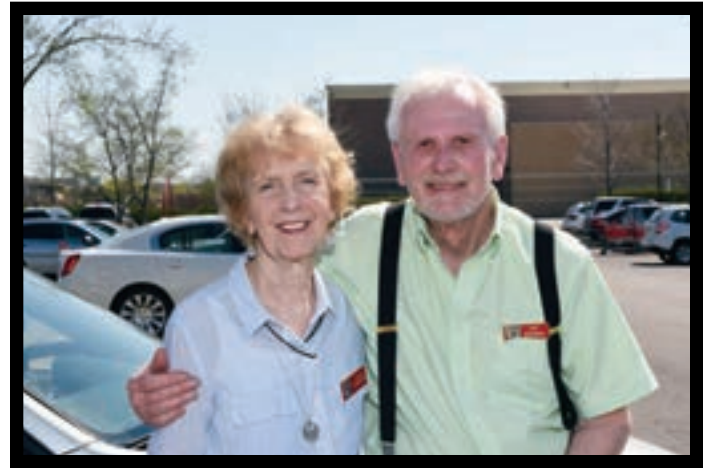

Why rallye? There are lots of reasons but here are our top ten reasons.

1. You start it all when we gather with 20 to 30 Porsche's at a public location, and it's fun to see some of the reactions as folks go by. Or stop to admire your car.
2. The research in advance to find interesting roads to drive is all done in advance and double checked.
3. The speeds to drive and detailed directions to get you out on the route and back are all provided.
4. It is even more interesting for those that are competitively inclined because we measure your times at a number of checkpoints, and tally up the winners closest to the perfect time at the end of the route.
5. The route instructions are prepared in accordance with a standard set of definitions that provide more interest than just following "google" type instructions with mileages spoon fed.
6. If you are a novice, or just intend to enjoy the drive, we can provide simplified "Touring Instructions".
7. It is not necessary to have one of Porsche's sports cars. Cayenne's, Macan's, and Panamera's are welcome.
8. You are not judged on the cleanliness of your car. No need to even dust it off before you come.
9. You get to spend time with like-minded people and enjoy camaraderie with other Porsche rallye teams.
10. There's nothing better than to get out on the open road and drive that beloved Porsche.

The challenge for a rallye team is to interpret the instructions correctly and keep to the designated speed. Rallyes are run on public roads (we will not ask you to exceed the speed limit) so you will have to contend with following directions, stop lights, stop signs, and traffic.

Come to the Rallye School on April 10, 2016 for a chance to learn some of rallye basics. There will be a short beginner's rallye at the end of school to practice what you've learned and a gathering at the end of the rallye at a restaurant to socialize and answer questions.

Still not sure? Don't have a partner? You can contact the Rallye Coordinators and they will try to find another like-minded person to help you form a rallye team. Or volunteer as a Check Point worker – no experience required as on-the-job training is provided the day of the rallye.

Chicago Region 2016 Rallye Season

Sunday morning April 17th was a beautiful sunny morning as 18 teams assembled in the parking lot of the Target store in Warrenville for the start of the Rallye Season. This first rallye was advertised as a simple rallye that would be friendly to new participants and the scores were reasonable for a three hour rallye. A full one third of the teams were novices. The rest of the competition was very experienced with half of the 18 teams being past or present Rallye Masters.

Charity Raffle Winners	Stephen & Charmain Miller					

Gary Neal and Bill Corbett took first place. They have been studying all things *Rallying* recently because they are the Rallye Masters for the May 15th Rallye. The top Novice Team was Robert & Jenny Snelson. They attended the 2015 Rallye School but this is the first Rallye they participated in. Patrick and Jackie Brennan traveled over from Indiana but unfortunately their Porsche was not up to the trip this time. The trip was worthwhile however as they were the top team in the Touring Class.

April 17th was officially National Cheeseball Day and we couldn't let the opportunity pass without proper recognition. Stephen and Charmaine walked home with a huge jar of cheeseballs as well as winning a \$25 gift certificate to the Chicago Region Goodie Store as winners of the Charity raffle.

To encourage new rallyists and those who might be thinking about trying it out, we offer a “Novice of the Year” award. Enter three of the five rallyes and you are eligible. The June 12th Rallye, the Flyer is included in this edition of the Scene, is entitled “The Kindergarten Rallye”. It is still being developed but it would seem to imply an entry level rallye? Or maybe not? Rallye Masters Steve Rashbaum and Susan Shire always seem to make it interesting. Come on out and give it a try. Simplified “Touring Class” Route Instructions will be provided.

Thanks to the volunteer pre-runners, checkpoint workers, and others that help on the rallyes. Our PCA Rallye Checkpoint Signs have received a facelift from the Rallye Novice team of Vince and Denise Missonak. Thanks to them for volunteering. They are hoping they can bring some Karma their way during the rallyes. When you come to the Rallyes don't forget to thank the people that volunteered for their efforts.

Rallye # 4 – August 21, 2016

Rallye # 5 – September 11, 2016

Porsche recommends **Mobil 1** and **MICHELIN**

It's done what no luxury car has done. Be a Porsche.

The first true sports car that's also a luxury sedan. Step on the accelerator and best in class performance and handling is undeniably present. But now, there's a new source of exhilaration—executive class comfort. Elegantly crafted leather seats, a remarkably spacious cabin and a sleek ascending center console. With an endless amount of customization options. In short, the world's most thrilling contradiction. Experience it for yourself, with a test drive.

2016 PCA Chicago Region DE Weekend

GINGERMAN
RACEWAY

The Chicago Region invites you to join us for our 21st annual Drivers Education weekend at GingerMan Raceway, which is located just outside the scenic Lake Michigan resort community of South Haven, Michigan. This year's event will be held on Saturday, July 23rd and Sunday, July 24th.

We hope you can join us for one of the season's premier DE events.

GingerMan Raceway is a challenging 2.21 mile road course with 11 turns, a number of elevation changes, and plenty of runoff areas. Not only is it fun to drive, but it was built with optimal driver safety in mind, which makes it a great choice for less experienced drivers.

This is an event to enjoy with your family and friends as the South Haven and nearby Saugatuck resort communities are filled with shopping, restaurants, beaches, family entertainment, and night life.

If you are planning to join us, we encourage you to make your lodging reservations as early as possible since many area hotels and resorts sell out months in advance!

Event registration is open to all PCA members, as well as non-members with track driving experience and an appropriate sports or performance car that meets the Chicago Region's 2016 DE safety requirements.

Novice drivers are welcome to attend and will be assigned to work with an experienced PCA instructor for the weekend. It is important to note that instructor availability for this event is always very limited, therefore novices will be accepted on a first come - first served basis with PCA members given priority over non-PCA members.

We will once again be holding a non-mandatory orientation session on Friday evening, July 22nd in the track's pavilion. Although this one hour session is designed for novice and first-time GingerMan drivers, anyone is welcome to attend. It will be hosted by PCA Chicago Region instructors who will review the track layout in detail and present a chalk talk to address the proper driving line, braking points, and other important information related to the weekend's event. If you are planning to drive GingerMan for the first time, or if you are an intermediate driver looking to increase your knowledge of this challenging track, we encourage you to attend.

Registration for our GingerMan DE weekend is now open at www.clubregistration.net

If you would like additional information, feel free to contact GingerMan Co-Chairmen:
Kurt Konrath at softtright@earthlink.net or 708-431-4772 before 9:00p.m.

BLACKHAWK

Three Friday events plus our two-day Oktoberfest weekend.

The season begins with our **Novice Day** event on Friday, May 13th. This event is dedicated to the novice driver. This is the event to attend if you are new to the club. We typically have 40 or more novice drivers at this event so in addition to learning how to handle your vehicle; it is also a great way to meet fellow club members. Again this year we will be incorporating one experienced group at this Novice Day event. This group is open to all who have previous track experience but have not reached the Instructor level.

All following weekday events are open to all novice and experienced drivers. Run groups will be based on driver experience. A novice group with both on track and classroom instruction will also be provided.

The season ends with the Oktoberfest two-day weekend event. This is open to drivers with previous experience only. No novice instruction will be provided. Weekend event includes dinner party Saturday and pizza at the track Sunday.

Lunch at the track and event souvenirs for all drivers provided by The Exchange!

Blackhawk DE I - Novice day Friday, May 13

This event is open to all drivers with an emphasis on the novice driver. Dedicated instructors will provide the novice students with a full day of instruction including classroom sessions. We will have one group open to experienced drivers in addition to the novice and instructor groups.

Blackhawk DE II - Friday, June 24

Blackhawk DE III - Friday, August 12

These events are open to all drivers from novice to experience. Run groups will be based on driver experience. A separate novice group with both on track and classroom instruction will be provided.

Blackhawk Oktoberfest Weekend - October 8 & 9

This event is open to drivers with previous experience only. No novice instruction will be provided. Registration for Saturday includes our famous Pig Roast & Sunday includes a Pizza Party for all.

MANDATORY REQUIREMENTS

Clothing for all drivers at this event includes: a Snell SA 2010 or 2015 Helmet, long sleeve shirt, long pants, socks, all made of non-synthetic materials, and closed toe shoes. Recommended but not mandatory are: driver's suit, driving gloves, driver shoes and a protective neck brace all made of Nomex or similar fire-resistant material, and a properly mounted fire extinguisher. You will be required to show a valid driver's license along with a valid PCA Membership card at registration. If you or your car does not pass Tech Inspection, you will not be able to drive. You can save time at the track by bringing your car to a recognized Porsche Dealer or Porsche Specialty Shop for mechanical inspection and having them complete, sign and stamp the Chicago Region Tech Inspection Sheet. Pay particular attention to specifics concerning brake pads and fluid, since Blackhawk Farms is very hard on the brake system!

PCA SUMMER DRIVING TOUR TO THE PITTSBURGH VINTAGE GRAND PRIX

Friday 07/15/2016 thru Monday 07/18/2016

The PVGP is one of only two vintage car races held on street courses in the USA. The races are held in Schenley Park which is just west of downtown Pittsburgh. The Allegheny Region of the PCA has arranged for our parking on the golf course and will host catered lunches on Saturday and Sunday. The Porsche parking area is literally 75 yards from the race course. The entire golf course is covered with cars from every nation. You can walk the course and see the biggest and most diverse car show you will ever see. And pretty much for FREE!

A block of discounted rooms (\$139.00/night) have been reserved for the Chicago Region PCA at the **Hampton Inn Pittsburgh University/Medical Center, 3315 Hamlet St., Pittsburgh, Pennsylvania, 15213, 412-681-1000.**

The following link will get you to our personalized hotel registration site:

http://hamptoninn.hilton.com/en/hp/groups/personalized/P/PITOKHX-POR-20160715/index.jhtml?WT.mc_id=POG
Copy and paste it into your browser. The hotel is literally minutes from Schenley Park.

We will leave Friday morning 7/15 from the Lincoln Oasis (east bound side) in South Holland, IL. We will caravan across Indiana on the Indiana Toll road. In central Ohio we will hit the back roads and head southeast on US-250 E. We will stop for a buffet lunch at **Hog Heaven BBQ** in New Philadelphia, OH. Then it's back on the road again. We will proceed to the hotel and everyone is free to enjoy the evening as they see fit. .

Saturday and Sunday morning we will caravan to Schenley Park for the races and lunches. On Sunday evening we will dine as a group at **The Monterey Bay Seafood Grotto** on Mt. Washington overlooking Pittsburgh. The food and the views are breathtaking! We will be transported by motor coach from the hotel and back again. So our babies can stay safely at the hotel. On Monday, everyone is free to depart for home, or wherever, at their leisure.

Please reserve your room at the Hampton Inn as soon as possible. Please e-mail me once you have a room reservation at J.DIWIK@COMCAST.NET. Questions? Call me at 630-962-9224.

Much more information to follow. This is an awesome trip for car lovers, trust me!

PCA 2016 FALL DRIVING TOUR

CHESTNUT MOUNTAIN RESORT IN GALENA

FRIDAY 10/14 THRU SUNDAY 10/16

As I promised, it is April, and we can begin booking discounted rooms at **Chestnut Mountain Resort**. Call for reservations at: **(800) 397-1320**. Advise them that you are with the **PORSCHE CLUB**. After you make your reservation, please e-mail me and let me know that you will be attending: j.diwik@comcast.net.

On Friday 10/14, we will meet for breakfast at 8:00 a.m. at the **Egg Yolk Café** on Rt. 59 in West Chicago. We will depart from the **Egg Yolk Café** and drive a combination of highways and back roads to the Galena area where we will have lunch at the **Lena Drive Inn (No Michelin Stars!)**

After lunch, we will drive the back roads to the Chestnut Mountain Resort. Chestnut mountain has an “**Alpine Slide**” that is accessed via their chair lift. See the photo below! The runs down the mountain are exhilarating and the views are awesome. They also recently installed a “**Zip Line**” for yet another thrill ride. We should have plenty of time on Friday afternoon to explore these and other local attractions.

Friday night is a free night with no planned activities. Perhaps a great night to visit historic downtown **Galena** where there are numerous restaurants and pubs. Or stay at the resort and party with Johnny D...

Saturday morning we will caravan south along the Mississippi River. After we cross the river and head back north, we will dine together for lunch at the **Offshore Bar and Grill** in Bellevue, IA. After lunch we head north eventually crossing back to Illinois near Galena.

We plan to dine as a group on Saturday evening at the **Chestnut Mountain Resort** as we look out over the fall foliage and the magnificent river and watch the sun set! I will provide pricing information for the Saturday meals at a later date.

High Standards

Porsche engines run best on experience.

The factory trained-technicians at Porsche Orland Park service all Porsche vehicles, ranging from early air-cooled engines to brand new models. We offer reduced labor rates for any vehicle model year 2000 and older. And while our competitive service rates compete with non-factory authorized shops, you get the peace of mind only Porsche factory-trained technicians can deliver.

Experience the best.

Schedule a service appointment at Porsche Orland Park by calling 708.364.2412.
