# Let's Go, Let's Go, Let's Go!

Cindy Jacisin, President

Wow - our 55th Anniversary is nearing its culmination with our Dinner Dance and Awards Banquet.

And what a year it has been. The Club held a record 59 events:

1 Autocross School and 5 Autocrosses  
1 Concours School/Chili Tasting  
1 Concours Judging School for our Zone,  
1 Charity Car Show and 5 Concours  
1 Rallye School and 5 Rallyes  
7 Driving Education events (5 Blackhawk, Autobahn, GingerMan) RADE (Road America Drivers Education)  
TRAC (The Road America Challenge)  
2 Tech Sessions  
1 Swap Meet  
1 Driving Tour  
3 Mix 'n Mingles  
3 Cars 'n Coffee  
4 Socials (Kane County Cougars Baseball Game, Ravinia, Golf Outing and Halloween Party)  
1 Blood Drive  
1 Model Car Auction for Charity  
1 General Membership Meeting  
12 Board Meetings including a Calendar Planning Meeting  
Charity Fundraising throughout the year

And our final event is:  
the Dinner Dance and Awards Banquet

I'm happy to say I attended 50 events. I had a blast with all my 'ole friends and I met many new friends who took a chance and came out to their first event or tried something new. To everyone - Thank you for attending our events and please come back.

If you are still thinking I'll make my first event "someday," it's a long cold winter. The Board and Coordinators have planned the 2013 calendar and there are even more events than in 2012!! The *tentative* 2013 calendar is included in this issue - please note that it is *tentative* - some details still need to be finalized. We have our Annual General Membership Meeting on January 27 - so just show up ... free food!

Which brings me to 2013:

I'm happy to announce the 2013 Board of Directors:

President - me  
Vice President - Toby Duckett  
Secretary - Chuck LaMantia  
Treasurer - Stanley Sangdahl  
Director - Carl Armand  
Director - Cheryl Lehman Collier  
Director - Keith Clark (completing his 2nd year)  
Director - Kori Kwak (completing her 2nd year)  
Immediate Past President - John Ruther

I am sad to announce Ed Barnicle has resigned from his Director position due to personal reasons. I thank him for his years of service and dedication to the board and to the membership. He has agreed to continue to chair our annual golf outing so he will remain involved in the Club.

On a happy note, I am pleased to announce Neil MacDonald is assuming Ed's responsibilities for the remainder of that term. Neil served on the board from 2008 to 2011 before moving out of state. Now that he has returned, the Club's welcome home gift to him was a doozy! Thanks for not re-gifting.

Since we last spoke...

Our Driving Tour started at Cracker Barrel in Naperville and 34 cars drove in caravan to New Glarus, WI. Along the way, we made two stops. As I am not allowed to eat in our car, I had to order a small hot cocoa at our first stop. It was delicious and it cost 97 cents! Almost worth a drive back! Our third stop was to organize ourselves to drive into the New Glarus Brewery in the order of our production year, led by 2 cars from 1988 with the 2013 Boxster as our anchor. That evening, "tourists" gathered for a delicious German buffet at the Chalet Landhaus. Thanks to John Diwik for organizing the entire tour and Michael Grove for pre-running it with John.

The morning after our Tour, everyone enjoyed a breakfast buffet and discussed their plans for the day.

Sixteen cars ran in Rallye 5, our final rallye of the year. Those roads were worth the wait. Thanks to Rallyemasters Susan Shire and Steve Rashbaum (also Rallye Coordinator) for finding beautiful, winding, hilly country roads and planning a great rallye. It was the perfect way to end the season. Thanks to Lee Lichtenstein and John Miller for pre-running the rallye and for checkpoint workers Lee, Pete Brychel, Pete Faehnrich, Ron Micek, Martha Kuffel, Stanley and Nicki Sangdahl, Kenton Franklin and Tiana Brazzale.

Thanks to Stanley Sangdahl who provided 2 sets of touring instructions for a more relaxed drive home. Those routes gave members an opportunity to join the rallyists as we tallied our scores and concluded the weekend at a restaurant in Rockton.

Words of advice - when the rallyemasters tell you to turn "Left on County Road K", don't tell your husband to turn right. And when you come to the same intersection and the rallyemasters tell you to turn left again, don't tell your husband to go straight. So here's a tip - don't follow me on a rallye! But at least I know when to turn right at T! I still had a total blast and look forward to their rallye next year.

Next was our Social Coordinators final event of their tenure. Their Halloween parties are legendary, or should I say infamous, and this year did not disappoint. The most notable costumes of the 50+ guests were in the bridal party. On the bride's side was Carl Armand with bridesmaids Jack Stephensen and Jim Ptak. On the Groom's side was Carol Armand with groomsman Karen Stephensen. Yes - you read that correctly. Add to that Officiants Sal and Lois DeTraglia, Tom Stark who caught the bouquet, John Diwik who caught the garter and you have ... well, I'm not quite sure what we have ... other than a lot of laughs. It made the frozen turkey bowl and the putting contest seem dull, except for Keith Clark who "trophied" in both events.

Thanks to Midwest Performance Cars for hosting our Fall Tech Session. Kori Kwak planned a day filled with vendors who educated 50+ members on car care products and tires. Thanks to our Concours Coordinator John Diwik who spoke on winter car care

whether you store the car or use it as your daily driver. The evening ended with dinner and a tour of club member John Neurauter's Haymarket Brewery and Pub.

Next came our Inaugural Blood Drive on Veteran's Day Weekend. Karen Stephensen came to a board meeting and presented the idea of holding a blood drive. The board immediately embraced the idea of community spirit. I'm happy to report we had 39 units donated and surpassed our 30 unit

minimum. Thank you to Karen and to all who came to donate.

And the final event of the year, the Dinner Dance - as always a wonderful affair! More about that in the next issue.

Hope to see you at the General Membership Meeting,

Otherwise, Happy New Year!!

# Teen Driving Academy

## Full Day Classroom & In-Car Instruction

Open To All Licensed Drivers 16 and Older

This is an intense one day program that teaches safe driving attitudes and advanced defensive driving skills at the only facility in the Chicago area large enough to safely conduct these exercises. Our staff of Professional Advanced Driving and Car Control Instructors teach emergency handling to Law Enforcement, Fleet Drivers and Individuals.

Your teen will get behind the wheel of one of our Mazda fleet vehicles, not a simulator. We are setup year-round to create winter driving conditions and teach techniques including emergency braking skid control, crash avoidance, and vehicle familiarity and maintenance.

Through the creation of various accident scenarios your teen will learn the skills of how to handle a car, the importance of awareness and the potential results of distracted driving and excessive speed. Parents are invited to meet the instructor team and get behind the wheel of the Mazda fleet to execute several key drills while the teens are in their morning classroom session.

# Halloween - PCA Chicago Style

*Carl and Carol Armand*

Our 2012 Halloween Party is now HISTORY!!!!

We thank all 50 of you who participated. What a fantastic showing of costumes and enthusiasm. We can always count on Porsche Members to get in the spirit of an event.

Fantastic costume hits were, The Wedding Party, our Jesters, Dorothy & The Oz Lion, Hippies, Witches, Vampiress, Roman Senator & Mate, Monsenior & Nun, Porsche Winner & Fork-in-the-Road, House Painter, Angel & Devil, Lady Pirate & Pittsburg Pirate, Blind Umpires, A Boxster, Brick & Brick Layer, Doctor & Cavalier and the Bikers. We even had a guy show up as an Auctioneer as well as a pair of PCA Members. They were hardly recognizable.

Flagg Creek was the location of the gathering on Saturday, October 27. The clubhouse was decorated with Fall and Halloween fare and a Juke Box was in place offering electronic selections of any artist or particular song of our choosing. Yes, we did take advantage it by showing off our dance moves.

Pizza appetizers were served at the bar when we arrived. After having a drink and comparing costumes, dinner was served, buffet style.

After the meal we were treated to a Wedding Ceremony staged by our not easily recognized Bridesmaids (OMG, the bridesmaids) [Jacquie, Billie & Jimmie], their escorts, The Bride and Groom, Father Luigi Salducci and Bride escort, Carmen Miranda. What a party. Sister Mary Lois was the official photographer. The garter and bouquet were caught by Harleyjohn Haywood and Little Tommy the Brick Layer.

TURKEY BOWLING was a big hit. What? You've never seen Turkey Bowling? Well we bowled frozen 15-pound

turkeys down a strip of plastic requiring the winner to place the turkey between two lines scarcely wider than the bird itself. The skill level of the 2012 competitors was extraordinary. Each contestant had one try and before you know it all four De-feathered Foul were in the hands of the winners.

Those winners were Claude deBiker, Darlene enRomaness, Peggy Vampiress, Keith LaMember dePCA. Well done. Have y'all been practicing?

While many were dancing, there were those who continued with the Horror Putting game. The blinking balls enriched the game because we all know that Porsche Members deserve more than boring balls.

It was a fantastic evening enjoyed by all, especially Carol & Carl who were hosting their final event after almost four years as Social Coordinators. We thank all members of PCA Chicago for supporting our events over the years. Your positive feedback and encouragement has been the catalyst for our energy. You truly kept us going.

# Fall Tech Session

*Kori Kwak*

Simple storage and winter driving questions were addressed during this year's Fall Tech Session located at Midwest Performance Cars 1385 West Lake Street Chicago, IL 60607.

The event was on a warm 50 degree day with plenty of sunshine to drive one's Porsche on a Sunday afternoon. Ample street parking and two free parking lots made it easy and accessible for members to come downtown into the city.

Attendees were greeted by Tech team members Christy Burke and Ted Burke. Peter Faehnrich proudly wearing his official Porsche Club Tech Shirt had the P.A. system ready for me to make introductions and announcements. Tom Simmons, the owner of the shop, had lunch waiting for the members upon their arrival. Libations were plentiful as our own club member John Neurauter provided a keg of his two micro brewed seasonal beers from Haymarket Pub & Brewery. For non-beer drinkers we had two kinds of wines poured by Todd Carr, the event director, from an urban winery called City Winery. Both establishments are in the West Loop within a mile of Midwest Performance Cars. Club members strolled the shop viewing new and old Porsches, BMWs, and Ferraris. An aisle was formed of vendors for Porsche club members to shop at. Brian Allton from Tesa Cigars also located in the West Loop had a table of cigars and did a live demo on how to roll a cigar. Hugh from

*photos by Jeff Brown*

The Finish Line had two tables of Porsche merchandise. Shirts, purses and decals were just a few items he had on display. Finally, John Walton, an active Chicago region member, answered questions about his invention which was displayed the Jackpoint Jackstand.

The first speaker was John Diwik. He informed the audience on how to prepare their car for winter if storing. He also informed the audience on how to prepare their car if driving during the winter. He was followed by Jim Lafeber who owns Dr Beasley- a car care product and detailing supplies company. Jim did a hands on demo with their car care product line and discussed the importance of protecting your Porsche's paint and wheels during the winter. Jim Eldridge the owner of Top Store located also in the West Loop spoke about storage space for cars and tires. Speaking of tires Travis Johnson drove from Detroit to represent Formula 43 at the Fall Tech Session. His detailed presentation and video explained to the audience how Formula 43 manufactured wheels. Closing the presentation was our final speaker Tom Simmons. He did a Q & A on how Midwest Performance Cars preps vehicles for winter driving and also Porsche winter projects.

Dr. Beasley provided gift bags to all that attended. A complimentary shuttle bus took members from the event

afterwards to Haymarket Pub & Brewery to dine and enjoy micro brewed beer which is located less than a mile away. Jeff Brown took photos for the club to document the event.

All proceeds from the raffle are given to the club's 2012 charity, Toys for Tots.

- \$250.00 certificate from Midwest Performance Cars
- Complete car detailing (value \$250) from Top Store

# Thank You!

Carl and Carol Armand

## THANK YOU,

Carl has been voted in as a PCA-Chicago Director. I thank you all for your support and your vote. I promise that I will do my absolute best to support you and our club that in my opinion is the finest club in the USA. I pledge to maintain the club's integrity at the level to which you have all become accustomed. I aspire to familiarize myself with all levels of Club Administration so that my voice may, whenever possible, lend improvement to its success.

Thank you again for your vote of confidence.

## THANK YOU even more,

Carol and I express our appreciation for your encouragement and support over the almost four years as Social Coordinators. We have enjoyed arranging and hosting our PCA social events. Most of all we have enjoyed meeting and greeting both new and existing members and, as a result, established many dear friendships. You are a wonderful group and we thank you for embracing us as you have.

Let's continue our friendship and commitment to attend PCA Social events in these upcoming years. We are confident that the events will be fantastic.

Best regards to you all.

## Thankfully, every errand is connected by a road.

One step on the accelerator and your faith in purity is wholly restored. The Porsche Cayenne GTS remains unrelentingly faithful to its motorsport bloodline. A naturally aspirated 4.8 liter V8 engine delivers 420 horsepower. Acceleration from 0-60 in 5.4 seconds. A top track speed of 162 mph. It's performance that's in full service of the driver, while amply suited for any and all errands. See how purity suits you, with a test drive. Porsche. There is no substitute.

## **Legendary Porsche performance with four passengers. We're definitely defying the laws of something.**

No one has the capacity to break the rules more than Porsche. And now, the new Panamera. The legendary sports car driving experience built for four. The staggering Porsche power is unmistakably present. As is the relentlessly precise handling. And with the addition of a second row of executively seated passengers, there's no end to the rules you can break. Porsche. There is no substitute.

## **The Panamera. Experience pure Porsche performance for four.**
