President's Postings

Toby Duckett, President

I cannot believe that it is already September and this year is moving along very, very fast. Before we know it, it will be time for our annual Dinner Dance when one year is gone, almost as fast as a Porsche at speed going up the hill to start / finish at Road America.

By the time you get this SCENE, you may note that **Stanley Sangdahl**, our current Vice President had to request that he not be nominated to continue as VP due to his business requirements. Stanley would have been a terrific President and I can only hope that he will run again in the future if he can. Nicki and Stanley will remain active in the club. It was my deep regret to accept his decision, but please thank him for his energy, input, and dedication on the Board over the past several years as Treasurer and VP.

You will see our slate for the Board from our Nominating Committee in this SCENE. Please support these candidates and vote. Our Nominating Committee was chaired by **Keith Clark** and members included **Todd Conforti, Peter Faehnrich, Dennis Costis, and Susan Shire**.

Part of my joy this year has been to assist and collect money for our Charities, Toys for Tots and Honor Flight Chicago during some of our events and during Track Touring. Many of you have given generously and I thank you. However, I want to reach out some 3000 of you that do not or cannot attend our events when we collect funds. Please consider sending a check to our Treasurer, Jack Stephensen, 3018 Halifax Ave, Westchester, Illinois 60154 payable to Chicago Region PCA and mark it Charity. You could also ask your companies if possible. If each of you could send in a \$10.00 donation, we could donate \$30,000.00 plus this year. However, every dollar certainly helps. Please consider this during your end of the year giving.

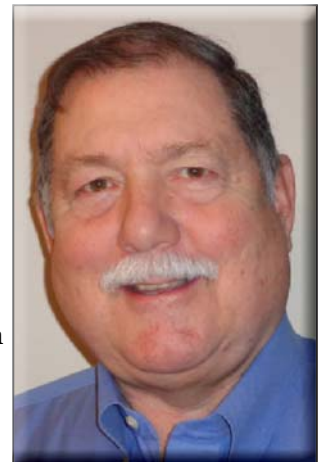

As your President, I have been glad to attend most of our 47 events and

I hope to attend all the remaining 9 events. I always take great pleasure meeting our membership while they **"Participate and Have Fun"**. **Thank you to our members** who make it a fun and possible for us to hold numerous events. If you have not tried one of our events, please come out to meet new friends and your fellow Chicago Region Members.

I just attended our last joint Concours and Autocross at Autobahn Country Club, Joliet on a beautiful day. This was a great dual event which I hope we can do more of next year. The Autocross had 18 X class cars which maybe a record. It was a lot of fun to see other cars out on the circuit. The Concours had 6 or 8 cars that also did the Autocross and they were judged early so they could do both events. **Jim Ptak and his team** did a wonderful job as always for the Autocross and **Michael Grove and his team** did an excellent job holding the Concours. Thank you to our Concours and Autocross Coordinators for a great year with enthusiasm and fun for everyone.

We have had a lot of events since our last SCENE so I will not go over all of them other than send out a blanket thank you to all our Coordinators who are the real engine running on all cylinders giving us all well done events. Please extend your thanks as well to **Cheryl Lehman Collier and Jim Ptak for Autocross, Keith Clark, Chuck LaManita, Peter Hackenson for Road America DE and Club Racing, Michael Grove for Concours, Chris Inlot for Autobahn DE, Kurt Konrath and Peter Faehnrich for Gingerman DE, Todd Conforti and Peter**

Hackenson for Blackhawk DE, John Diwik for Driving Tours, Steve Rashbaum for Rallye, and Sharon Ptak and Carl Armand for Social events.

I want to extend my personal and club thanks to all our TRAC sponsors secured by **Neil MacDonald**. Please support those companies with your business as they really help our club to keep the event fees as low as possible. You will see these companies on our website, in the TRAC event booklet, and especially in the next SCENE issue.

Speaking of sponsors, I want to extend another personal and club thank you to **David MacNeil, WeatherTech** for hosting a fanominal open house for the second year at his factory. David provided a meal for everyone attending, factory tours, several Porsche cars to view, and perfect weather. All of us that attended had a great time and I am sure you will see more pictures and an article about the event in the next SCENE.

See you out there - "Participate and Have Fun"

Toby

Please Support Our Charities

Toby Duckett, President

As mentioned in the President's Postings, PLEASE SUPPORT our CHARITIES. This is a reminder that our Club provides a large percentage of the local Toys for Tots campaign with money and toys. Please include our charities **Toys for Tots** and **Honor Flight Chicago** with your end of the year giving NOW. The Board authorizes the final dollar amounts to Toys for Tots in the November meeting so it is important to make out a check NOW.

Many of you have given generously and your PCA Board certainly wants to thank you. However, I want to reach out a majority of you that do not or cannot attend our events when we collect funds. Please send a check to our Treasurer, Jack Stephensen, 3018

Halifax Ave, Westchester, Illinois 60154 payable to Chicago Region PCA and mark it Charity. You could also ask your companies for a donation to match or exceed your donation. If each of you could send in a \$10.00 donation, we could double our charity giving this year. However, every dollar certainly helps. Please help.

Those of you coming to the Annual Dinner Dance, December 6, please bring an unwrapped Toy for our Marines to take back for their giving.

Lease financing for exotic, luxury & collectible vehicles of all ages.
Porsche included.

We will meet around 8:00 am for breakfast. We will do our usual business with the waivers and such and we will roll around 10:00 am.

We will drive primarily on the back (Porsche) roads through the Illinois and Wisconsin countryside. Picture an idyllic fall scene with multicolored leaves swirling around, a bright blue sky, and the smell of fall in the air. The cool breeze rushes by you as you “vroom” your way through the rural paradise. Get the picture? Good!

On Friday evening, we will dine together as a group at **The House on the Rock Resort**. Our casual **Illini/Bears Party** (those goofy Wisconsin people call it the Badger/Packer Party) What do they know?

The meal includes black angus burgers, beer brats, deli salad, chips and dip, cheese (What a surprise....) condiments, Kaiser rolls, brat buns, chocolate chip cookies and coffee. Accommodations will be made for vegans/veggies! We will have our own bar in the dining room. The meal cost will be provided later. It is a very reasonably priced meal.

**On Saturday, everyone is on their own.
In other words, Johnny D ain't planning nothing!**

Feel free to plan your entire day and evening. There are a million things to do in the area. I might suggest playing a discounted round of **golf** at the resort, or visiting the **House on The Rock**, or visiting **Taliesin** (Frank Lloyd Wright's dream house.) Or you can visit New Glarus (Little Switzerland) and the **New Glarus Brewing Company**, or Mt. Horeb, WI, the **Troll Capitol of the World**, or visit Black Earth, WI which is named after the local soil (How interesting?), or Mazomanie, WI, the home of a **nude beach** on the Wisconsin River. (Can you say shrinkage?)

Tourists are encouraged to plan evening activities with their fellow club members. Dining is available at the resort as well as in the local communities. House Parties or parties in your hotel rooms will be encouraged. **As long as Johnny D gets invited**. Bring your favorite adult beverages, snacks, etc and party like its 1999! Spring Green, WI has at least one liquor store.

On Sunday morning, 10/19/14, **Rallye 5** originates from the resort. Please feel free to volunteer your time and work as a check-point worker or as a rallyeist! The rallye concludes in the southern WI area. Check the PCA web site for details.

CONCOURS PREPARATION SEMINARS FOR THE PORSCHE CLUB OF AMERICA PARADE

The Chicago Region is preparing a very unique and ambitious program to aid members to prepare their Porsches for competition in the Concours at the Parade in 2015 at French Lick, Indiana. An introductory seminar outlining the competition rules as well as live examples of national show cars will be followed by individual visits to member's home garages to critique and provide assistance in preparation. Many of the Porsches we have seen at our local Chicago Region Concours are of national competitive caliber. Since this is in our neighborhood we know many of our members will attend and we want them to win.

Introductory Seminar

On November 22nd at 8:00 AM we will conduct the first in a series of traveling seminars. The first will be a group meeting where we will explain the different competition groups and what you can expect to be judged in each category. All Porsches are eligible in either Street, Touring or Full classes. The differences will be explained in detail. But to make it exciting and interesting we will conduct this event at one of the finest restoration shops in the Midwest: Custom Cars in La Grange. Our host Pete Sanchez and his expert staff will take us through their award winning shop with presentations on body, interior and engine preparation. Show cars in various stages of preparation will be used as examples.

As an extra attraction Porsche show cars owned by David MacNeil will be on display for our review. Our seminar leaders will be our own members who have won at Porsche Parades in the past and are experienced judges at the national level.

Traveling Seminars

For registered members our experienced winning judges will travel to your own garage during the winter months for both a practice judging and then help and make suggestions for what work still needs to be completed for the French Lick event. This will include identifying areas that need improvement and how and what to use to address these issues. To join in this unique seminar series you must register at the November 22nd event since time slots will be limited.

PCA Golf Outing 2014

Carl Armand

The 19th annual Ed Barnicle, PCA-Chicago golf outing is now in the books.

Ed was in charge of weather this year and did a fantastic job. Slightly overcast, nice breeze and temps in the 70's made for a fantastic day. It was particularly important to a lot of us as most of us have never played in the 70's before and always dreamed of doing so.

The winning team with a 68 (I guess they didn't want to play in the 70's) was, Steve Shirey, Al Glatt, John Chevchuc and David Way. Congratulations. Even cheating we couldn't catch them. (oops I didn't say that).

Closest to the pin went to Al Glatt but having already won a prize he relinquished his award to the runner up Steve Kuk. The other name on that card was Jack Stephensen who sank that 40 foot putt for a bird. That was exciting.

Closest to the pin for women was Cheryl Lehman-Collier, WooHoooo. Yeah and you thought she couldn't play golf. Others on that card were Lois DeTraglia and Sharon Olson. Longest Drive for men went to Michael Martin. Wow what a shot Mike. We were impressed.

Cindy Jacisin-Rath won Longest drive for women beating out Karen Stephensen. Nice drive Cindy but that wasn't nice to do to a friend.

Jack Stephensen won longest putt for me on the 18th hole. It kind of made him feel better as he lost out on that long putt he made on #6 closest to the pin. I think his words were, "now let's see you beat that". Just kidding, Jack wouldn't say that. He'd say something else.

Longest Putt for women was won by Martha Kuffel beating out Sharon Olson. The fun part was that there were 20 of us gathered around the 18th green heckling her as she sank that really long putt. Did you ever see Martha grin?

There were 31 of us out there doing our best to play the best ball if we could find it.

Yelling back and forth across the fairways is what we do. "Hey, your outfit matches mine. How come no one else got the memo? Don't hit that, it's my ball.....I think!!! How about another beer? Sure, you can charge it to me! Move it again why don't cha. We're having fun now baby!!!!

Seriously, we thank you all for participating. It was a great day with a bunch of great Porsche friends and guests. Your participation is what makes our social outing a success.

Thankfully, every errand is connected by a road.

One step on the accelerator and your faith in purity is wholly restored. The Porsche Cayenne GTS remains unrelentingly faithful to its motorsport bloodline. A naturally aspirated 4.8 liter V8 engine delivers 420 horsepower. Acceleration from 0-60 in 5.4 seconds. A top track speed of 162 mph. It's performance that's in full service of the driver, while amply suited for any and all errands. See how purity suits you, with a test drive. Porsche. There is no substitute.

The new Porsche Cayenne GTS.

Legendary Porsche performance with four passengers. We're definitely defying the laws of something.

No one has the capacity to break the rules more than Porsche. And now, the new Panamera. The legendary sports car driving experience built for four. The staggering Porsche power is unmistakably present. As is the relentlessly precise handling. And with the addition of a second row of executive seated passengers, there's no end to the rules you can break. Porsche. There is no substitute.

The Panamera. Experience pure Porsche performance for four.
