# President's Letter

Jack Stephensen

It is hard to believe the year is starting to wind down. By the time you read this, **TRAC 09** will be a memory. TRAC has always been a highlight of the year. It is a chance not only to enjoy your car on one of the premier tracks in the country, but also a time to enjoy the companionship of the great friendship's that have been developed throughout the year. The adage "It's not just the cars, it's the people" never holds more true than over this weekend. Thank you to all who helped make this event what it is. It takes many volunteers to make it all happen. A special thanks is extended to Pete Hackenson, Keith Clark, Chuck LaMantia, Mary Anne Nowakowski, Susan Shire, Pete Faehnrich, Kori Kwak, and Dennis Costis for all the work they do to make this the signature event of the Chicago Region.

In August, the Nominating Committee met to develop the **Slate of Nominees** for the Board Officers for 2010. I am pleased to announce the following nominees:

President	John Ruther
Vice President	Cindy Jacisin
Treasurer	Chuck LaMantia
Secretary	Neil MacDonald
Directors	Brian Beierwaltes
	Susan Shire
	Toby Duckett

Ed Barnicle and Todd Conforti will be returning to the Board to serve the second year of their term. Congratulations to all and thank you for your time and

devotion to this organization. Also, allow me to extend my gratitude to the members of the Nominating Committee - Keith Clark, James Jacisin, Chris Ingot and Ed Barnicle.

It continues to be a fantastic year. All of the events have had great attendance. What has been most satisfying is seeing all of the new faces. Karen and I have met many new people. The **Ravinia Social** was great fun, although it was a little cold. Who would have thought that a mid- August night would require the use of blankets to stay warm. Shannon Gallagher deserves a big thank you for organizing this event. It was a novel event added to the Porsche social calendar. I know the 36 of us that attended appreciated all of your efforts.

I would also like to thank Steve Olson and Sharon Olson for putting on **Rallye 3**. They opened their house as the starting point for the rallye. For Karen and myself, we perhaps should have spent the rest of the day there cleaning up, cuz' we sure didn't clean up on the rallye. After making a simple blunder, off we went on a trip to nowhere. Well at least the weather was beautiful ... if you were a fish. The rallye gods were not kind, with periodic downpours that cut visibility to next to nothing. It made for interesting rallying. Or maybe it was the martini from the night before ... but that's a different story. Thank you Steve and Sharon for a great event and thank you to everyone who attended.

The **Geneva Concours** was another special event. With close to 50 Porsches entered, it was spectacular. For those who have not been to this event in the past, it is located in downtown Geneva. We are part of a bigger event that benefits JDRF. So, not only are there Porsches to look at, but many other cars from American Muscle to Rolls Royce's and everything in between. Thank you to Van Larson for all his work in coordinating this Concours. In addition, a big thank you to all of the Region's Concour judges who do double duty by judging the Chicago Region cars and then judging all the other cars in the show. Your efforts are greatly appreciated.

Well, we are fast approaching the final laps of the Porsche season. We have just added to the calendar a **Halloween Party** on 10/31. Due to scheduling problems, however, the Bears Social in November has been canceled. But, there are two more Rallyes, one more Concours, two more DE Events, a Tech Session, a Charity Car Show, the Concours Judges School, and the Dinner Dance. If you have not made it to an event yet, do not postpone it any longer. Take a look at our website at [www.pca-chicago.org](http://www.pca-chicago.org) and choose something to attend. Our events are what make this Region what it is! Hope to see you out there!

A member shall be entitled to only one vote regardless of multiple memberships.

# BLACKHAWK DRIVERS EDUCATION 2009

**Sponsored by:**

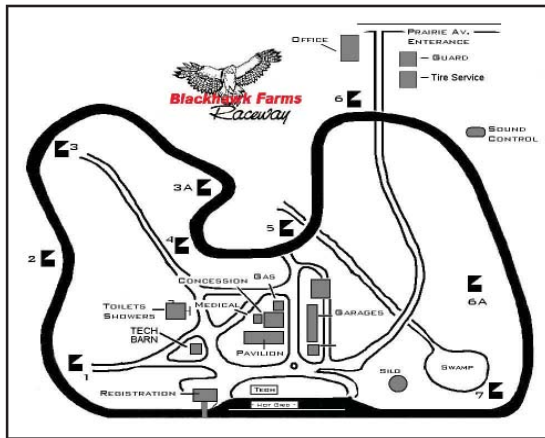

**THE EXCHANGE**  
Highland Park, IL 847-266-7000

Looking for a little excitement in your life? Want to experience the kind of driving your Porsche was designed for? Come find out! Let our seasoned PCA instructors show you what you've been missing. We will teach you the skills required to drive your Porsche or other sports car at its limits in a safe and secure environment. Blackhawk Farms Raceway is a challenging track incorporating a variety of undulating curves and straights that provide an ideal learning environment. Novice drivers get instruction throughout the day until they are ready to drive on their own.

This year we will have four weekday events plus our two day Oktoberfest weekend event at Blackhawk.

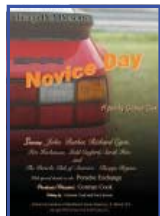

The season begins Wednesday May 6th with our **Novice Day** event. This event is dedicated to the novice driver. It is the event to attend if you are new to the club. We typically have 40 or more novice drivers at this event so in addition to learning how to handle your car, it is a great way to meet fellow club members.

This year's calendar does not provide ample time to have an **Experienced Only** event at Blackhawk before RADE (Road America Drivers Education), so we will also be incorporating an experienced group at our Novice Day event. This group will be open to all who have previous track experience but have not reached the Instructor level. This group will sell out so register early.

**Blackhawk Farms** is a 1.95 mile private circuit racetrack located in South Beloit, Illinois on a 219-acre farm. [www.blackhawkfarms.com](http://www.blackhawkfarms.com).

The other weekday events are open to all drivers from novice to experienced. Run groups will be based on driver experience. A separate novice group with both on track and classroom instruction will also be provided.

**New members, please view the Novice Day video by Gorman Cook at PCA-Chicago.org**

The season ends with the Oktoberfest two day weekend event. This is open to drivers with previous experience only. No novice instruction will be provided. Weekend event includes pig roast Saturday and pizza party at the track Sunday.

Register online at [www.clubregistration.net](http://www.clubregistration.net) or link through [PCA-Chicago.org](http://PCA-Chicago.org).

# BLACKHAWK

## DRIVERS EDUCATION 2009

Mandatory clothing for all drivers at this event includes: a Snell SA 2000 or 2005 Helmet, long sleeve cotton shirt, long pants, socks, all made of non-synthetic materials, and closed toe shoes. Recommended but not mandatory are: driver's suit, driving gloves, driver shoes and a protective neck brace all made of Nomex or similar fire-resistant material, and a properly mounted fire extinguisher.

You will be required to show a valid drivers license along with a valid PCA Membership card at registration. If you or your car does not pass Tech Inspection, you will not be able to drive. You can save time at the track by bringing your car to a recognized Porsche Dealer or Porsche Specialty Shop for mechanical inspection and having them complete, sign and stamp the Chicago Region Tech Inspection Sheet. Pay particular attention to specifics concerning brake pads and fluid, since Blackhawk Farms is very hard on the brake system!

## **Porsche Club of America Chicago Region Board Meeting Minutes June 05, 2009**

### **Voting Board Members Present:**

Jack Stephensen, Neil McDonald, Chuck LaMantia, Ed Barnicle, Cindy Jacisin, John Ruther, Greg Turek, James Jacisin, and Todd Conforti

### **Coordinators Present:**

Brian Beierwaltes, Bob Rath, John Diwik, Carl Walstad, Peter Faehnrich, Kori Kwak, Chris Ingot, Niki Sangdahl, Susan Shire, and Pat Yanahan

### **Members Present:**

Stan Sangdahl, Lee Lichtenstein, Hank Weil, Toby Duckett, Steve Rashbaum and Pat Yanahan

### **Meeting Called to Order** by Jack Stephenen at 8:06 PM.

Park Ridge VFW Hall, Park Ridge, IL  
Jack Stephensen welcomes Board Members, Coordinators, and general membership.

**Secretary:** Jim Jacisin presented the updated May minutes for approval. Motion: To approve, Cindy Jacisin; Second: John Ruther; Approved: Unanimously

**Treasurer:** Neil McDonald, with a suitcase full of deposits from Road America, reports that the Club's bank accounts are no longer funding the Region. Neil further reports that the well run Autocross School showed a profit, Driver's Education events so far are up from last year, and that the quarterly membership deposit has been made from PCA National. Neil illustrates that with a snap shot from last year, 2009 is moving slightly above last year's same date pace. Motion: To accept, Chuck Lamantia; Second: Todd Conforti; Approved: Unanimously

**Vice President:** John Ruther - No Report.

**President:** Jack Stephensen reports that

with Autocross, DE, Road America, Rallye and a Car Show now in the books, 2009 continues to show a strong year for the Chicago Region. Jack congratulates all Coordinators and Volunteers for their efforts.

**Autocross:** Bob Rath reports that the unique Tire Rack course layout yielded 8 runs for each driver. Bob wishes to extend his thanks to the Tire Rack for allowing us to use this facility free of charge. Autocross 2 is scheduled at Maywood Park on Sunday, July 12.

**Timing & Scoring:** George Schaeffer III/Pete Bukantis - No Report.

**Road America:** Keith Clark/Chuck LaMantia/Pete Hackenson  
Chuck LaMantia the Road America team reports that from Registration to Safety, this tight team continues to operate seamlessly. In an update, Chuck reports that all of last year's RADE participant rebate checks were donated back to this year's JDRF charity. Jack wishes to thank all participants of this rebate for their generosity in turning this money back into the Region's charity.

**Blackhawk Farms:** Todd Conforti - With 55 Novice Drivers, 27 Experienced Drivers and 47 Instructors, Blackhawk 1 proved to be a very successful first full event. Once again a small donation was raised during Track Touring for the JDRF charity.

**GingerMan:** Scott Lynn - Jack reports for Scott, that with light initial registration, all elements are in place for this event.

**Autobahn:** Chris Ingot/Dennis Costis  
With 122 pre registered, the Autobahn event is made up 30 Novice Drivers and 30 Instructors. Chris reports that 18 of these Instructors are attending the event solely to instruct and are not participating in the event as drivers. The break-even point for this event has been reached and he is confident that this event continues to show a small profit for the Region.

**Chief Driving Instructor:** John Ruther  
Through the Instructor pool, which serves as both the backbone and the future of the Driver's Education program, John reports the Instructors continue to step up to assist our new members.

**Insurance:** Keith Clark - No Report.

**Concours:** John Diwik - With \$1,800.00 raised for charity, John reports that the Promenade Meet and Greet Car Show drew a large crowd of 62 cars. John wishes to thank the two members who trailered race cars to this unique event. The next Meet and Greet Car Show will provide a similar format in Burr Ridge later in the year.

**Rallye:** Ed Barnicle - Even though a final report for Rallye 1 has not yet been filed, Ed reports that he is confident Rallye 1 was success. Rallye 2 will be hosted by Jack & Karen Stephensen. Rallye 3 will be hosted by Steve & Sharon Olson. Rallye 4 will be hosted by Lee Lichtenstein & John Miller. Rallye 5 will be hosted by Steve Rashbaum & Susan Shire.

**Social:** Shannon Gallagher - In Shannon absence, Jack reports that with only one day of exposure the Ravinia event has 8 couples pre registered.

**2009 Dinner Dance:** Chris Ingot reports a conservative approach has been taken for this year's Holiday Party at the Marriott Lincolnshire. With valet service, hor d'oeuvres, wine, entrée, soup, desert, coffee and sweet table, an \$80 per person fee has been negotiated. Steve Rashbaum, Susan Shire & Chris lead a discussion regarding this year's direction for the party, which this year changes to a cash bar and a DJ in place of the traditional orchestra. Chris reports that a corkage fee has been negotiated for a reasonable \$15 per bottle. Susan reports a contract is in hand and asks for board approval for deposits. Greg Turek makes a motion to spend \$7,500.00 to be used as the initial deposit; Seconded: John Ruther; Approved: Unanimously

## Minutes ...

**Golf Outing** - The Cheat Only if You Don't Get Caught Golf Outing on August 8 will again be at White Pines Country Club. Ed reports that these loosely based rules may or may not be posted in the Chicago Scene but urges all Chicago Region members to attend this fun event.

**Membership:** Mike Haas/Nicki Sangdahl - Nicki reports that her transition into the Membership position has begun. She reports that 43 new members have applied in May. Nicki plans to be proactive in developing a member retention program including e-mail blasts. Steve Rashbaum leads a discussion regarding the \$40.00 Chicago Region fee and the need for overcoming hurdles to becoming a Chicago Region member. **Meeting Called to Order** by Jack Stephen at 8:08 PM.  
Park Ridge VFW Hall, Park Ridge, IL  
Jack Stephensen welcomes Board Members, Coordinators, and general membership.

**Secretary:** Jim Jacisin presented the updated June minutes for approval. Motion: To approve, Cindy Jacisin; Second: Todd Conforti; Approved: Unanimously

**Treasurer:** Neil McDonald - Jack reports in Neil's absence. Motion: To accept, Chuck Lamantia; Second: Ed Barnicle; Approved: Unanimously

**President:** Jack Stephensen reports a strong and successful Chicago Region presence at the Colorado Porsche Parade. Congratulations to Jim Jacisin for winning Concours Preparation Overall, Rallye trophy winners Jack and Karen Stephenson, Lee Lichtenstein and John Miller, Carol and Carl Armand, and Auto Cross trophy medalist Jack Stephenson. And in local Regional news, despite miserable morning weather, Joe Rizza Porsche was pleased with the results from the first Porsche "Lifestyle" party.

**Autocross:** Bob Rath - With a quick track set up by Ed and Christy Russ, the Maywood Autocross produced quick runs for the 40 plus cars in attendance. With Central Wisconsin hosting the latest Tri-State Autocross Series at the Sugar River go-kart track, each car made 16 runs. The next autocross is scheduled at Maywood Park on Sunday, July 12.

**Timing & Scoring:** George Schaeffer III/Pete Bukantis - No Report.

**Road America:** Keith Clark/Chuck LaMantia/Pete Hackenson - While

not yet a complete picture, it appears that the Memorial Day event showed an increase in attendance. And while attendance was up, it appears that revenue was slightly down, due to the increased track fees at Road America and the Chicago Region board decision holding prices firm.

- On the Labor Day TRAC front, a projection is made for 150 Club Race cars to participate, down from last year's 183. Drivers Education is slightly ahead of last years TRAC pre-registration pace.

**Blackhawk Farms:** Todd Conforti - BlackHawk II was run under wet conditions with 63 drivers (19 novices). Eleven instructors arrived just to participate with students. Instructor vouchers were passed out to those individuals. Todd expresses his thanks to Ed Leed, Kori Kwak, Pete Faehnrich and the rest of the Tech Team. BlackHawk III is scheduled for Friday, August 14, with 23 drivers pre registered.

**GingerMan:** Scott Lynn - With 33 drivers pre registered, the July GingerMan event is coming up quickly. GingerMan corner workers, security and insurance have all been confirmed. The current GingerMan track configuration is scheduled to be enlarged and completed by the Spring of 2010. Next year's dates have been reserved.

**Autobahn:** Chris Ingot/Dennis Costis Autobahn continues to show a slight profit and in Chris's absence, Jack wishes to thank Chris Ingot, Dennis Costis, John Ruther and Ed Leed. He also wishes to thanks the Safety & Tech Teams for their continuing effort.

**Chief Driving Instructor:** John Ruther - No Report.

**Insurance:** Keith Clark - No Report.

**Concours:** John Diwik reports the Long Grove Concours drew 52 cars with more overflowing in the surrounding streets and parking lots. Potters Picnic is next. The Geneva Concours continues on uninterrupted, and the Octoberfest Concours is still being sorted.

**Rallye:** Ed Barnicle - At 90 miles long and run over challenging roads, Jack & Karen Stephensen's rallye is now complete. Steve & Sharon Olson's next rallye is being measured for distance. John Miller and Lee Lichtenstein's rallye is being finalized this week end.

**Social:** Shannon Gallagher - Ed Barnicle reports that the August 8th White Pines Country Club Golf Outing is now set with 8 pre registered.

- Shannon reports that Ravinia has stalled with the same 8 pre registered.

**Technical:** Peter Faehnrich/Kori Kwak - All is set for the GingerMan weekend. Pete thanks all the Tech volunteers.

**Charity:** Pat Yanahan and Chuck LaMantia discuss options for the JDRF charity kids to experience the track at the Labor Day week end event.

**Sponsorship / Dealer Liaison:** Brian Beierwaltes - No Report.

**Historian:** Dan Gallagher - No Report.

**Webmaster:** Carl Walstad - No Report.

**Parade News:** Chris Ingot - Pat Yanahan has been asked by the National Parade Committee to take a more prominent role in the St. Charles event and he reports that an Autocross site is needed, as a secured site was not written into the National contract. Chuck suggests the Charles Town mall as an AutoCross site or the secure, fenced area now used by the Corvette Club's Bloomington Gold event. A Welcome Party will be hosted by the Chicago Region. A discussion follows regarding the possibility of the Chicago Region looking poorly as this now national-run event is in its own backyard. Other than the Chicago Region Welcome Party for its members, Chuck LaMantia raises the concern that the Chicago Region bear no financial burden or profit. Jack Stephensen and Pat Yanahan both assure that the Chicago Region has no stake in this event.

**Old Business:** The elimination of the \$40 fee for new member to join the Chicago Region has again been tabled.

**New Business:** - No new business.

**Goodie Store:** Jack Stephensen With only 1 sale this month, an add will be placed into Chicago Scene to stimulate interest.

# Autocross 2.5 Sugar River Raceway

Peter Bukantis

Sugar River Raceway was the location of the second tri-region event hosted by the Central WI region. It's a go-kart track that winds around a grove of mature trees. There were no cones to knock down, all you had to do was stay on the pavement and remember to go around the loop twice. A quick half mile course and under 20 cars translated into an obscene number of runs. If you ever get the chance to run at this facility either in your car or a go-kart, do it. You won't regret it.

# Autocross 3 at Maywood 7/12/09

Pete Bukantis

July brought nice weather, a nice course (Mike Hill design) and some nice competition. Besides a healthy Porsche turn out, we had a contingent of SCCA folks join the ranks.

To the untrained eye the course looked like a jumble of cones with no rhyme or reason. In reality it was a fast course with tight gates, a ridiculously tight garage and used practically every inch of the available pavement. Early on the cones were flyin' and some drivers were trying to program the course in their gps just to prevent from getting lost. By the afternoon runs, everyone had it down and they were pushing their cars to the limit.

As the day wound to an end there were some spectacular attempts at beating the best times of the day but they were more show than go. Ultimately we ended the day with a flashy spin out by yours truly. Overall, it was a fun day and I don't think you could find anyone there who didn't have a smile on their face.

## It's just begging for an Autobahn carpool lane.

The Panamera is no stranger to uncharted territory. It dares to be the first sports car that seats four. But on top of seamlessly integrating an executive-class second row, it also boasts pure, unadulterated performance. Both in its unyielding horsepower and its precision handling. Above all, deserving of its own place in the Porsche family. Porsche. There is no substitute.

## The Panamera. Pure Porsche performance for four.

# Rallye Two: 50 on 50 Again

Ed Barnicle

Sunday, July 19th was sunny to start which was good because the rallyemaster was no less than our President, Jack Stephensen, who decided to test the rallyists who were going to try to win or finish, depending upon their experience by giving out directions to the starting place which were not quite right. Jack had The Brat Stop being east of I-94 when it actually is west of I-94. I was there to help if needed, and before I got within twenty yards of Jack, he hollered at me that I was working Checkpoint #4 with Maureen Hutton. Since there was plenty of time before we had to be in our appointed place; and, because she had sampled their fare, Maureen suggested that I get some breakfast and one of their Blood Mary's which sounded good to me, so I went inside to

a seat at the bar. After I had eaten, we took off to find our checkpoint, and to get set up.

Those of you who have rallied or worked a checkpoint know they are picked to trap the participants without thought being given to the those working the checkpoint. Today was no exception, and would end up with a good sunburn. There wasn't any kind of a tree within 100 yards of our appointed battle station.

But enough of my whining, so what follows is a list of all the teams; and where they finished along with their scores:

# Aungahh!

TRAC 2009 WAS WONDERFUL!!! and there'll be lots of pictures in an upcoming issue.

As anyone who has ever chaired an event for the Region will tell you, plans are made, promises are exchanged, dates/details are published and then it all changes. Complete details for an event are published as soon as details are finalized ... so, look to the Chicago Scene and the Region webpage for events missing details in this issue.

Pre-Runners and Checkpoint Workers are needed for Rallye 5. (Steve loves to pre-run rallyes --- no CAST to worry about on really great rallye roads! If you're interested, please call me at 847.272.7764 or e-mail me at ChiScene@aol.com

Enjoy September!
