SWEETEST RALLYE TO GALENA FROM THE OLD

by Jim Dorfman

Rallyes have always been my nemesis, for the simple reason that I have always found it necessary to make at least one or two wrong turns along the way. This usually puts you out of the running given the caliber of company that usually attends these events.

Nonetheless, renewed by the expectation that I had a brave soul with me who could read extraordinarily well and had a tolerable sense of direction, I decided to venture forth on my first Chicago Region event of the year.

Fall is always an especially beautiful time, and having discovered a part of Illinois that I did not realize existed made the drive not only a challenge, but a thoroughly enjoyable event. The rallye route and instructions were precise, and afforded us the combined talents of championship rallyeists, George and Linda Gutmann. Of course, the changing colors, rolling hills, and country character of the route all made a delightful contribution to the day's drive.

We didn't win anything, nor did we expect to acquire any recognition of our rudimentary rallye skills. Rather, the evening's dinner was a wonderful opportunity to say hello to friends I hadn't seen in a great while and enjoy the company of members new to me.

SWEETEST RALLYE TO GALENA FROM THE NEW

by Paul Siracusa

Never having participated in a rallye before, I counted down the days prior to leaving for Galena. My feelings, in two words, would be pure excitement. My wife and I awaited the opportunity or any opportunity to drive our Porsches,

The first two hours into the rallye appeared to an overanxious amateur to resemble the charge of the light brigade. Porsches to the left of me, Porsches to the right of me (and not necessarily going in the same direction). Being lost on several occasions, decisions had to be made as to who to follow - the red one or the black one? They say no one is ever completely lost, only temporarily confused. I felt sorry for anyone who chose to follow me.

With the eagle eyes of my navigator, however, we were able to overcome most obstacles. He swears to this day that he saw "Sons of Norway" - twice. When I finally rendezvoused with my wife and twelve year old son (her navigator), she informed me that she had the opportunity to tour downtown Elgin and downtown Pecatonica.

We left the pit stop as seasoned veterans, determined to finish respectably. Upon approaching Galena, the sun began to emerge, a fitting end to a great day on the road.

T=Trophy Winners

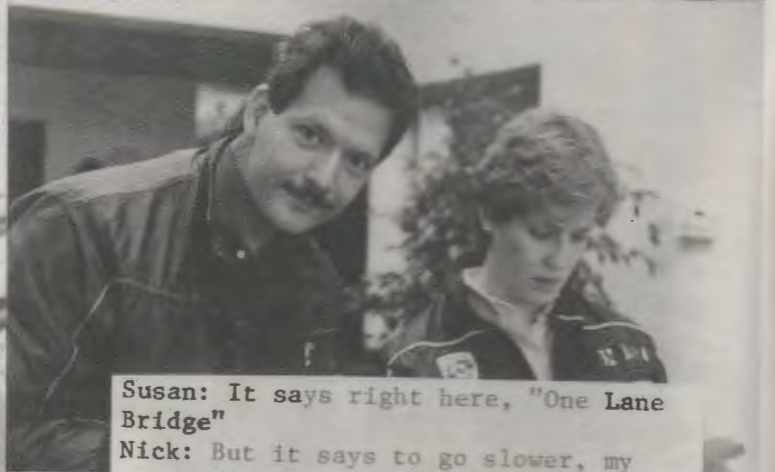

Lovely registration ladies

You climbed what??

Larry: Trust me, This is going to be fun.
Joyce: At least there'll be lots to see in Galena.

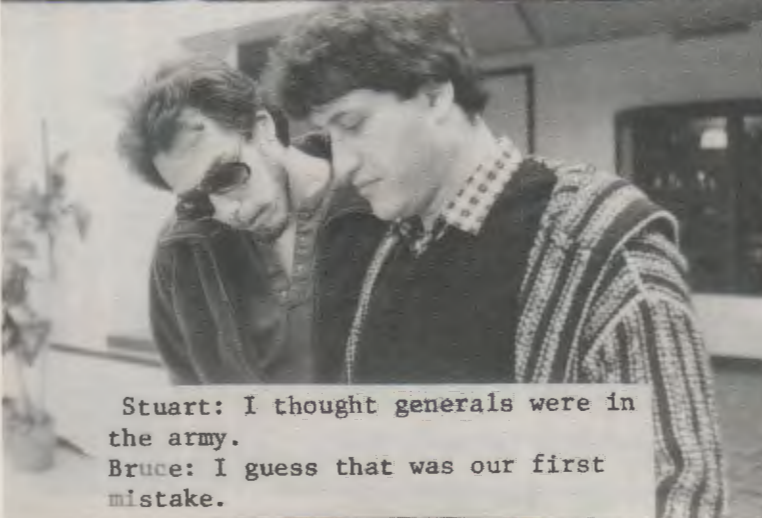

Susan: It says right here, "One Lane Bridge"
Nick: But it says to go slower, my car only goes faster.

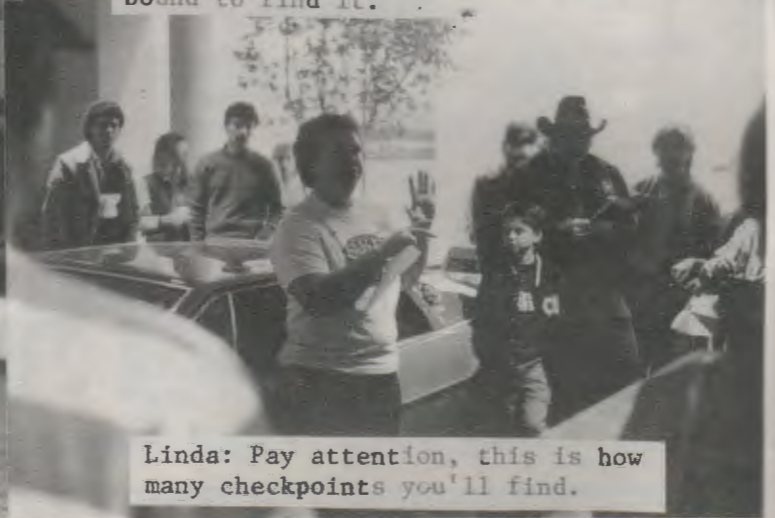

Jerry: But I took a shower this morning.

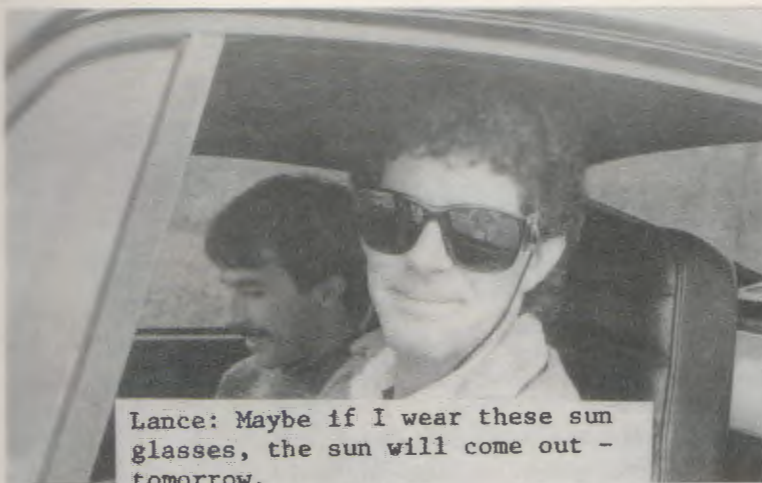

Judy: It's been so long since we've been on a rallye, I hope we find Galena.
Jean: Just keep going west, you're bound to find it.

Stuart: I thought generals were in the army.
Bruce: I guess that was our first mistake.

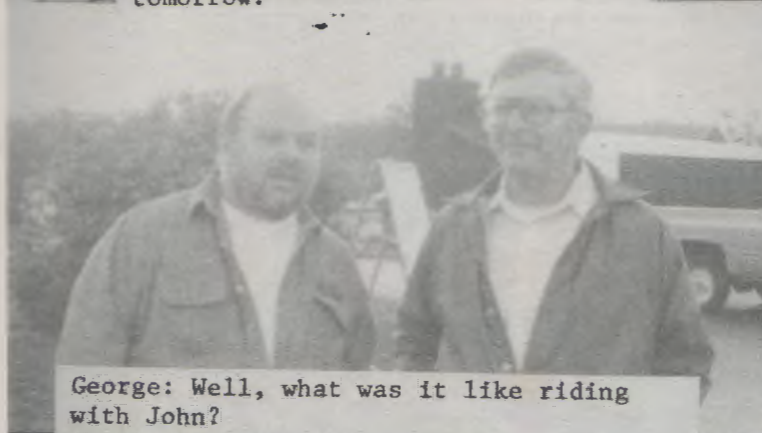

Linda: Pay attention, this is how many checkpoints you'll find.

Lance: Maybe if I wear these sun glasses, the sun will come out - tomorrow.

Phyllis: Isn't this more fun than putting on the event?
Tom: I'll say, nothing to worry about. Just relax and enjoy the ride.

George: Well, what was it like riding with John?
Chuck: He kept trying to take my picture.

Jimmy: You're the first girl I've thought enough of to take to a PCA event.

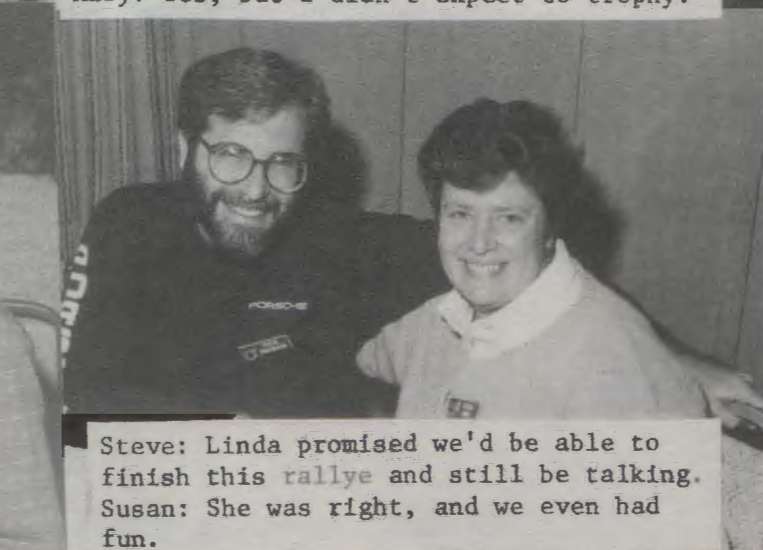

Dan: Here's to those great roads coming in to Galena.
Linda: I don't know how they find them.

Brad: Didn't I tell you we'd be able to finish?
Mary: Yes, but I didn't expect to trophy.

Fast cars, great roads, good food, fun people, what more could we ask?

Steve: Linda promised we'd be able to finish this rallye and still be talking.
Susan: She was right, and we even had fun.

Don: I didn't think we had a chance when we had so much trouble finding checkpoint 2.

Carole: George and Linda always told us to never give up.

Bill: I just loved driving that last 30 miles, all those curves.

Michelle: I almost loved it so much, you almost saw my lunch again.

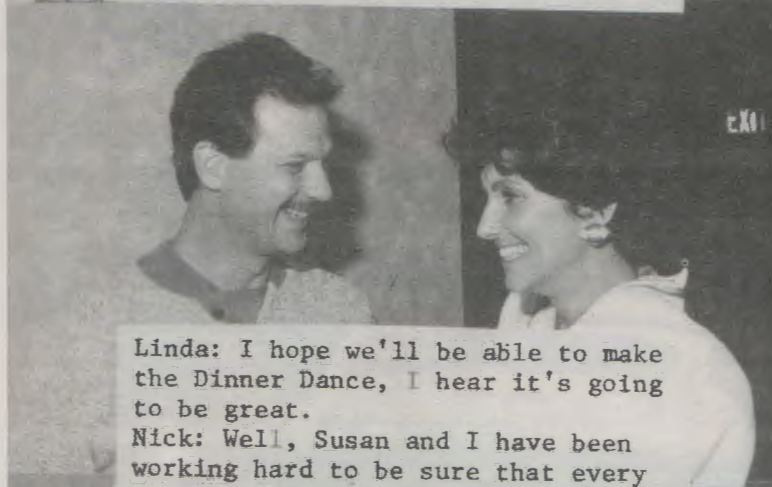

Who'd have ever thought that there were that many ups and downs on the roads of Illinois?

John: I didn't recognize anything until we were almost at the Inn.

Charmaine: Well, we've been here often, but we've never come in the back door.

Linda: I hope we'll be able to make the Dinner Dance, I hear it's going to be great.

Nick: Well, Susan and I have been working hard to be sure that every one has a fantastic time.

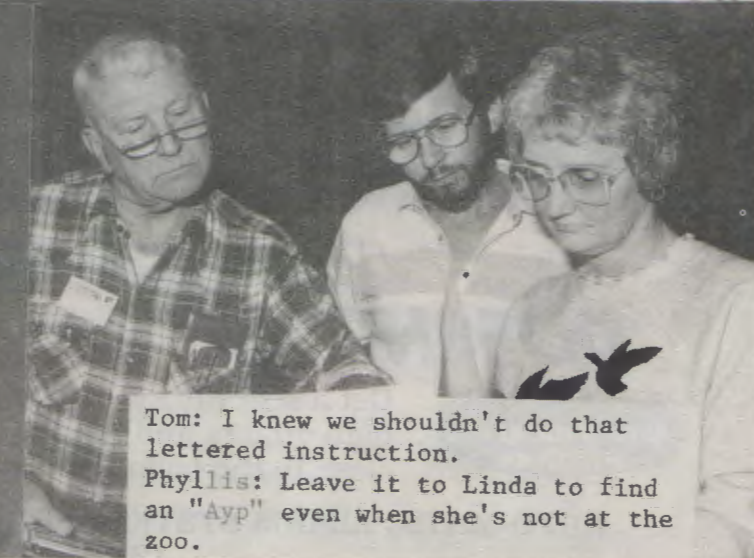

We knew a rallye to a place as neat as Galena would have to be fun.

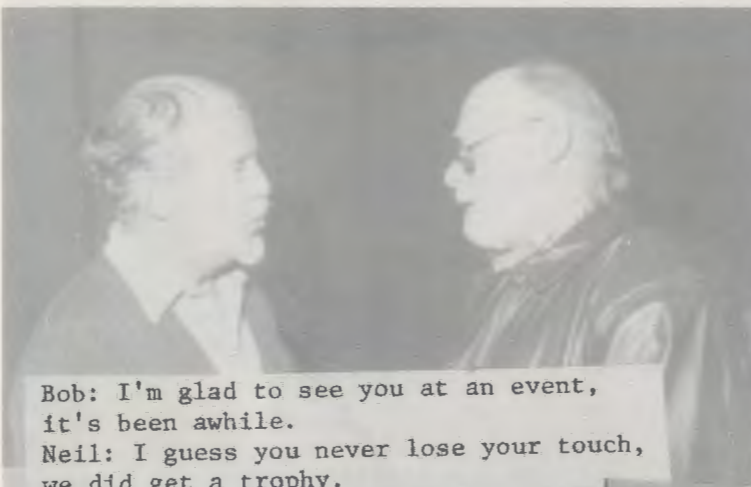

Bruce: I can make you such a deal on the other bed in our room.

Harold: But we already have a room, and we're having chicken sent in for breakfast.

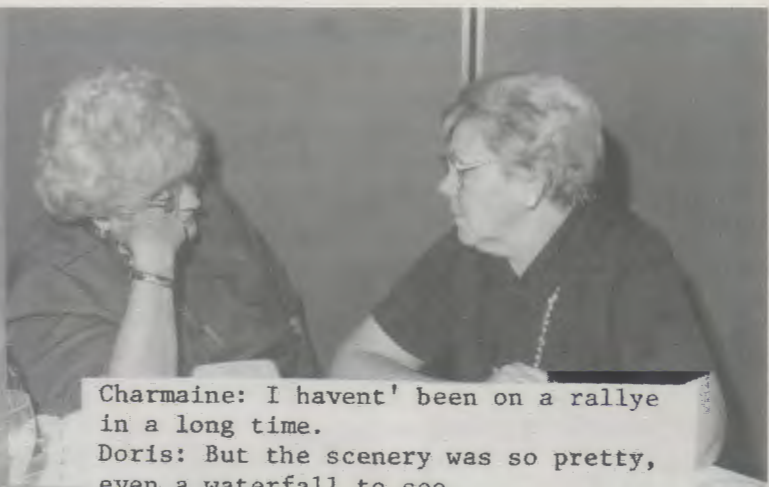

Tom: I knew we shouldn't do that lettered instruction.

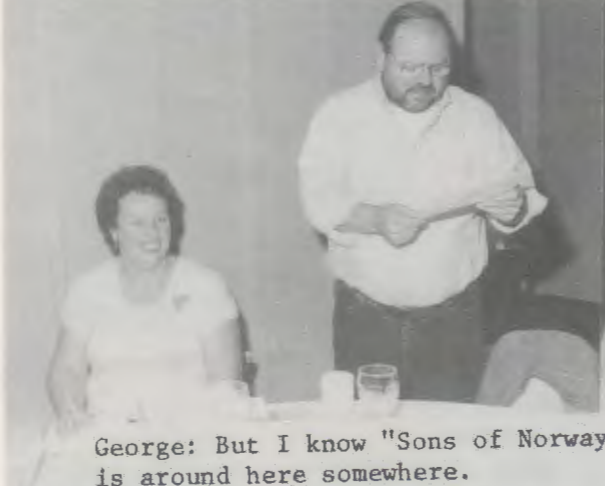

Phyllis: Leave it to Linda to find an "Ayp" even when she's not at the zoo.

Bob: I'm glad to see you at an event, it's been awhile.
Neil: I guess you never lose your touch, we did get a trophy.

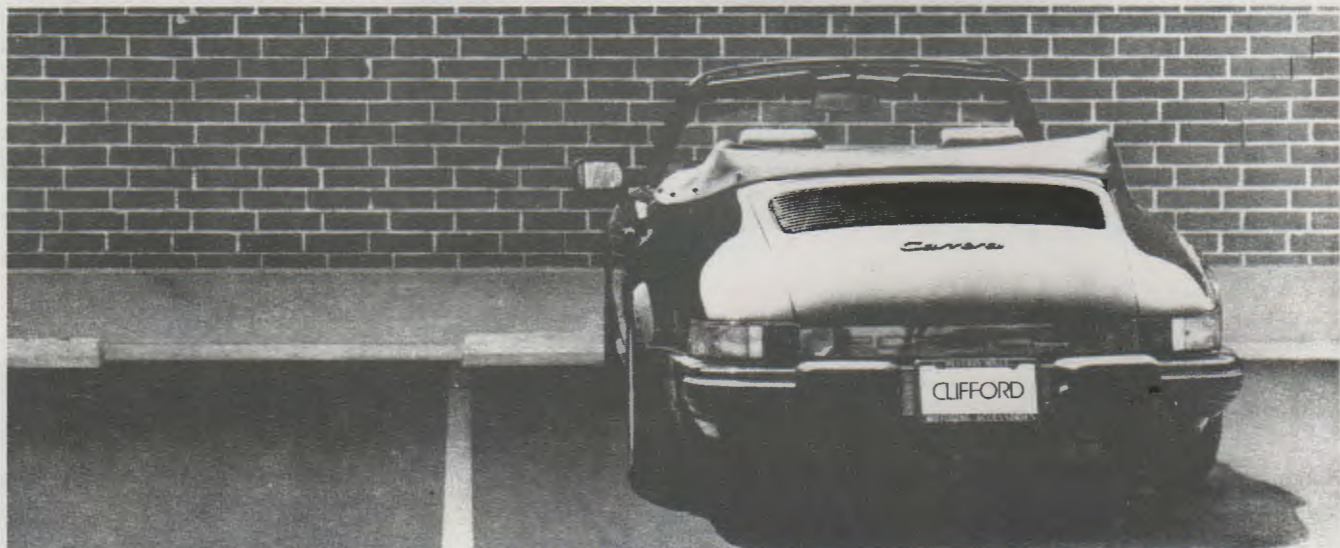

Charmaine: I havent' been on a rallye in a long time.
Doris: But the scenery was so pretty, even a waterfall to see.

George: But I know "Sons of Norway" is around here somewhere.

Winners - note beautiful stained glass Porsche crests as trophies, made by George.

UP AND COMING

ANNUAL DINNER DANCE

Date: Saturday, December 5, 1987
Time: Cocktails 6:30
Dinner 7:30
Place: O'Hare International Exposition Center, Rosemont, Illinois

You are cordially invited to the 1987 Chicago Region Porsche Club annual Dinner Dance. The finale of this year's events will be held at the O'Hare International Exposition Center in Rosemont on Saturday, December 5. This is an opportunity to socialize with fellow Porsche pushers, meet your new board members and coordinators, show our appreciation to the outgoing board members and coordinators, and applaud those members who will be receiving special awards for their achievements in 1987.

Come join us for cocktails and goodie store browsing for last minute holiday gifts at 6:30. Dinner will be served at 7:30.

If you drive the Porsche, we have arranged for the parking area to be guarded by some of Rosemont's finest. If you decide to spend the night, the Hyatt Regency O'Hare and the Hotel Sofitel are connected to the banquet facilities by enclosed walkways.

To ensure your dinner selection, we need to have your reservation by November 27.

GENERAL MEMBERSHIP MEETING

Date: January 17, 1988
Time: 12:30 p.m. to 3:00 p.m.
Place: Bacino's on Wacker
75 E. Wacker Drive

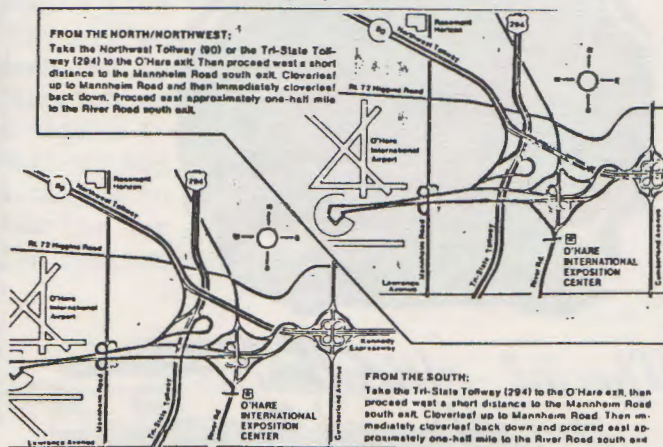

The general membership meeting will take place on January 17, at Bacino's Restaurant, 75 E. Wacker Drive. The meeting is expected to last from 12:30 p.m. to 3:00 p.m.

This is the perfect chance for you to come to meet your new board and coordinators for 1987. You may discuss with them your ideas and ask any questions you may have about the 1988 Chicago Region year. Have fun and socialize with old and new Porsche friends. What better way to start off the new year.

You should also plan on enjoying some of Bacino's fine pizza, imported beers and wine. You may order from the menu at your own expense.

We look forward to seeing you there. Keep in mind that this would be a good time to let the coordinators know what event you want to chair or co-chair this year. The time to get involved is now. The Porsche world is there for you, and it's even more fun when you're involved.

Bushmeyer Pensees

What can one say in his last "Pensees" article? This December ends my two years as President of Chicago Region PCA. I leave the Chicago Region much as I accepted it. The region has continued to grow. The region is still very financially healthy. The region has had more events than ever. And, above all, it has provided a conduit for Porsche persons to have Porsche fun.

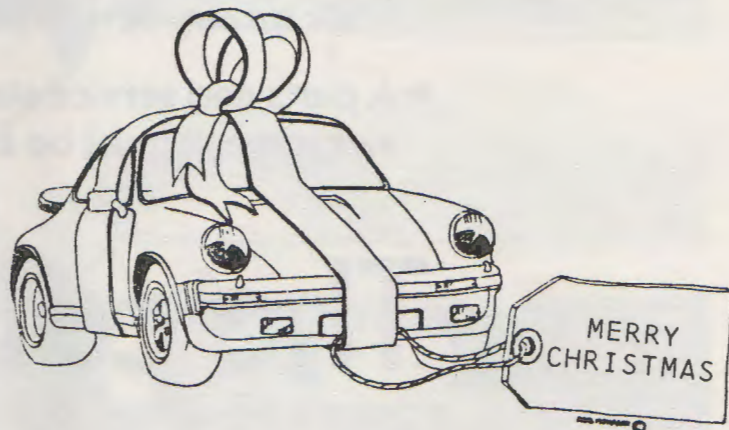

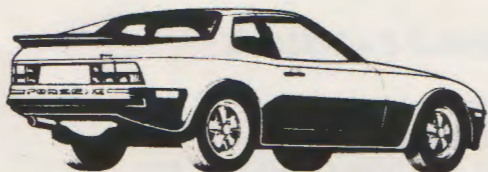

I have again confirmed that any organization is only as good as the people in it. Chicago Region is blessed with lots of good people that have worked hard and supported my efforts. The only thing I can say is "Thank You" to all who made and continue to make this region so successful.

My many thanks go to these major contributors who made this region go for the last two years.

Thank you and God bless: Rauccis, Zanns, Gutmanns, Allmans, Minatos, Brenkus and Sue, Kaitis's, Estradas, Beachs, Beckers, Whites, Leeds, Janeceks, Harwoods, Russ Iser, Sol Snyderman, Manny, Bangerts, Bacins, Bohlander, Gallaghers, Gladishs, Gummows, Hiffmans, Hollebs, Zuricks, Laws, Sitnick, Pattersons, Potters, Ostholthoff, John O'Keefe, Meyers, Lee Lichtenstein, Lotestas, Owen and Gaile Johnson, Terry and Shelley Johnson, Howard Yefsky, Tim Green, Jim Dorfman, Orums, and my family, Sheryl, Shalyn, Dax, and Kale.

I know I have possibly left someone out, and please forgive me if I missed you. The list is the families and persons that came to mind who supported the club and myself the last two years. When you see them, please give them a big "Thank You". They are what PCA is all about. The work and services they performed for the club could not have been bought.

Again I want to thank all the Chicago REgion members for giving me a chance to pay back Porsche Club of America for all the fun I've had for the past sixteen years.

Attn: Dr. Douglas Parks

Dear Dr. Parks:

It gives me great pleasure to forward to you the results of this year's annual Porsche Club of America, Chicago Region, Inc. Charity Autocross.

Total revenues equalled \$6,524.92, and expenses were \$169.44, realizing a net profit of \$6355.48. Please find enclosed personal checks from our members totalling \$4,637.35, and a check from PCA/Chicago for \$1,718.13. Their combined total equals the entire net profit for this event mentioned above.

These proceeds are being sent to you now so that they may be processed in a timely manner, in order that our members will not show them as outstanding on their account balances. It is my understanding that you wish to have a formal presentation made for the press; we will be glad to issue another formal check for publicity purposes only for \$6,355.48. Please contact Mrs. Linda Patterson about this at your earliest convenience.

On behalf of the officers, board of directors, event chairpersons, general membership of Porsche Club of America, Chicago Region, Inc., and especially on behalf of all those who donated merchandise to be sold or raffled off, I would like to express our pleasure with this year's results. Although we have raised several thousand dollars a year for Sally Potter School for many years now, this year's results represents a new record, one which we are very proud of. The officers hope to be able to inform all the members what good use these funds have served after you make that decision, perhaps in time for our January or February Newsletter.

Our continued good wishes for great success to the children and faculty of Sally Potter School.

Very truly yours,

John D. O'Keefe, Treasurer

Attn: Dr. Douglas Parks

Dear Dr. Parks:

In addition to the 1987 Charity Autocross donation to Sally Potter School, several other donations have been made for a much different reason.

PCA/Chicago has just suffered the loss of an old friend, Mr. Ray Cuny. He had been a member of Chicago Region since the late 1950's, and he was very active in the Club for many years. It was my pleasure to know him personally, and I, and many of the other long-time members have fond memories of his wit and humor which we will never forget. He shall be fondly remembered and sadly missed by all who were fortunate enough to know him.

In Ray's memory, and with the certainty that this is what he would want, the enclosed contributions to Sally Potter School have been made by some of our members in memory of Mr. Ray Cuny.

He was one "hell of a guy", and we'll miss him.

Sincerely,

John D. O'Keefe, Treasurer

DEC '62 - The Annual Dinner Dance was held December 15 at the Charcoal House in Waukegan. Clark and Ruth Copper took over the newsletter and incoming officers were: Bob Claypool, Pres.; Jim Gladish, Vice Pres.; Bob Gummow, Sec.-Membership; Harold Beach, Treas. The coveted participation awards went to Harold Beach, Marilyn Menigoz, Bob Chmelik, Walt Sobek, Dick Jacobs, Norm Studier, Bob Mulkey and Dieter Vogt.

DEC '67 - Sunday, Nov. 19 was a Tech Session at John Weinberger's Continental Motors in LaGrange. A film of the '52 road race at Elkhart was provided by Wayne Potter. There was a tech quiz, followed by a parts identification quiz for both gals and guys. Dinner followed at Forees' Restaurant. The Nov. 30 financial statement showed event receipts of \$2544.25 for the year and event disbursements of \$2507.99 with a net profit of \$32.26 thru Nov. 30 on events. Cash on hand, \$746.06. Newsletter cost (including postage) \$1043.57.

DEC '77 - "Porsche Pushers Pylon", November 6 at Soldier Field parking lot. Chairmen Bob Ostholthoff and Ed Russ laid out a second gear course -- no shifting, no slalom -- and relatively fast because of the size of the parking lot. Around 4 p.m. the multitudes removed themselves to nearby Sauer's to thaw out and enjoy an excellent buffet which included Beef Rouladen, fish and chicken. Class winners: Jim Peterson, I; Ed Russ, II; Teri Russ, II-L; Roger Shapiro, III; Jack Gilsdorf, IV; Helga Meyer, IV-L; Chuck Schank, V (FTD); Tyler Bangert, VI & VII (Mod); Sue Bulgrin, VII-L; Jerry Cox, VIII.

Well, I can't believe a whole year has gone by since I started back at this job. What a year it has been. It's been quite active, getting to events, getting people to write about the events for us, making sure they send me the articles they've written, sending articles to Panorama so that we're in it each month and the rest of the country can see what a great time we're having every month. It doesn't seem like 12 months already. How time flies when you're having fun. Or, as the frog said, times fun when you're having flies. Sorry about that.

But seriously folks, well, not too seriously, we still have one big event coming up, the Dinner Dance. Be sure you don't miss this one, it sounds like it's going to be great. I'm looking forward to dancing all night, or at least as long as George lasts. I hope to see you all there.

Next year looks like it will be just as busy as this one. Yes, I've agreed to do this crazy job for another year. Oh well, doing captions for the pictures is fun, and from the comments I hear, that's what you folks like the best, lots of pictures with lots of silly captions. Your wish is my command. I hope you enjoy reading as much as I enjoy writing.

The year starts with the General Meeting on January 17, at Bacino's on Wacker. See you there,

Linda

PORSCHE PERFORMANCE PLUS

For Your Non-Turbo, CIS Injected, 2.7 Liter 911S

ULTRA STAGE 1

Breathe new life into your Porsche at a fraction of the cost of a new 911 with the Ultra Stage 1 performance option at Farmer's Automotive. The Ultra Stage 1 is not an exotic bolt-on turbo charger or illegal modification. It is a well thought out improvement with years of testing and fine tuning. Utilizing all stock parts, Bob Farmer blends his unique knowledge of Porsche and the 911 with his performance engineering ability and produces an engine that is all Porsche, all performance.

IMPROVED PERFORMANCE

Just what will the Stage 1 deliver?

- Better driveability with a higher 7400 rpm
- Easier tuning

- Improved gas mileage
 - Improved performance
- Extensive testing supports claims of 0-60 mph in 5.7 seconds; quarter mile in 14.4 seconds at a speed of 95 mph; a top speed of 150 mph with 25 miles per gallon highway. All results achieved with test settings of 3.40 ppm Hydrocarbons, 2.4% Carbon monoxide (2.40 ppm Hydrocarbon and 1.8% Carbon monoxide with air pump) using premium unleaded fuel. Emissions are compatible with all state requirements.

INCLUDES TOP END OVERHAUL

Each Ultra Stage 1 requires a top end overhaul which includes:

- New rings and gaskets
- Stainless steel cylinder head studs
- New valve guides
- Special cylinder head work
- High performance valve work
- Oil fed chain tensioners
- New cam chains
- New clutch disc
- Stainless steel heat exchangers
- New modified muffler
- All parts, filters, hardware, and hoses
- 6 month/6,000 mile limited warranty

UNBEATABLE PRICE

\$6,100. That's it! The total price for the Ultra Stage 1 is just \$6,100. If needed, all bearings, rod bolts and intermediate sprockets can be installed for \$950. Case head steel inserts can also be installed, if necessary, for \$250.
