GET WINDBLOWN !!!!!

We are pleased to announce that we have become the authorized Distributor for the Chicagoland Area for the Windblown Turbo System designed specifically for the Porsche 924.

This is the ultimate in Turbos for the 924..... not just a kit but, a system..... call us today for details.

Top off your new Turbo 924 with a Saratoga Top.....

Distinctive styling plus the sensation of openness while touring are all part of adding a Saratoga Top to your Porsche. The smoked lexan shield blocks out the sun's hot rays to keep the interior cooler. The top also provides extra head room, and seals against the weather. Enjoy the pleasure of a convertible all year round. Snaps into place like your current top, requiring no modifications or adapters.

Finish off your new Turbo 924 with a Rear Lens Conversion Kit.....

This exciting styling kit completes the crisp, fresh lines of the 924. Reflector runs between the taillights with the word 'Porsche' ('Turbo ' also available) boldly emblazoned across it. Kit is complete with new license plate mounting brackets, lens and easy instructions.

1979 ANNUAL DINNER DANCE

by Gene & Gaby Coburn

Yes, Porsche friends, 1979 has come and gone, ne'er to be forgotten. What better way to culminate a year's activities than to spend a pleasant evening with your fellow Porsche pushers at the annual dinner dance.

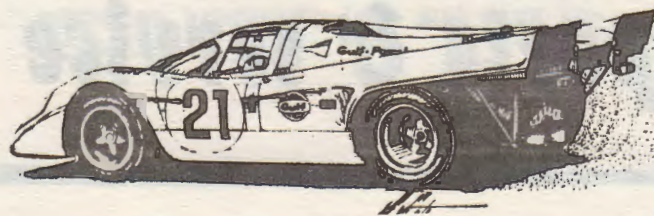

This year's gala event was held at the Sheraton North Shore Inn in Northbrook. While the location was once again new, it was convenient and easy to find, even for those of us who came up from the far south side.

Our thanks this year go to John and Dianne Welda who really did their homework in setting up this event. The prime rib and trout dinners were excellent. Door prizes were in abundance and there was something there for everyone. The entertainment this year was something new and was provided by a D.J. who calls himself "The Fish Man". His efforts were very much enjoyed as evidenced by the continuous flurry of activity on the dance floor.

Overall trophies for concours, rallye, and autocross were awarded as well as "enthusiast of the Year" which was won by Bonnie Shapiro. The overall trophies this year were donated by the Chicago Region. Also donated by Chicago Region was a free weekend at Elkhart which was won by Bob White.

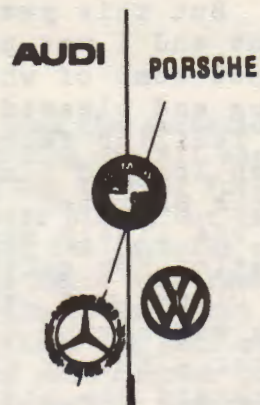

What party would be complete without a song by Dean Bangert, who, as we all know, is unaccustomed to public singing. Dean did sing "Misty" for us, accompanied by "The Fish Man", who, we found out later, had recorded it at the same time.

It was a great ending to another year spent with good friends at the Porsche Club. Once again thanks to John and Dianne, the businesses that donated the door prizes, and all who came to make it such a pleasant evening.

John & Dianne Welda, the event chair-people. We hope your daughter is much better and out of the hospital.

Jim: These parties have a tendency to get a little wild.

Frank: Totally childish. I'm happy my wife and I are so cultured and restrained.

Short people

Neil: Now that I too own a Turbo, Gallagher and White (Sox) are talking to me again.
Harold: In that case, I'd sell it.

Sandy: I haven't been around in a while, what's new?

Mrs. Bart: We've moved to Wilmette with the high society set.

Doris: I've taken up drugs and get high once a month.

Wilma: My husband will be in Sweden, so I'll be available.

Diane: My husband works nights, so I'm available.

Helga: If Jerry doesn't lose 30 pounds, I'll be available.

Wilma: Please take your hand off my knee, you know I'm the new and first lady president.

Frank: I know, I just want you to come across with your campaign promises.

Friend: Roger, is it true you're not moving to Indiana.

Roger: True, the race car business is slow, mortgage rates high and I'm not a Hoosier.

"Old" members Bob & Goldie Kohl still believe real Porsches have air cooled 4 cylinder engines which are behind the rear axle.

Jerry: Oh boy, this is the most fun I've had since the last dinner dance.
Bonnie: Buzz off, if Roger sees you it'll be your last dinner dance.

Helga: I'm happy to see that a member of the White family finally got to be president.

Bob White (Sox): You'd think that with my good looks, charm and open mindedness, it would have been me.

Super shoe Owen inspecting old friend from California San Andreas fault.

Jerry & Sally Voigt wish us all to know that just because they are good friends of the Schanks and have an autocross track in their back yard and 7 Porsches that **they're** not crazy.

I want to thank all of you who helped me to become a champion race car driver, now if we could only rallye.

The Polish Prince: I like fast women and fast cars but not necessarily in that order.
Howard: You be careful or I'll kick you in the waste gate.

Todd: i have good news. As you can see there is still no permanency in my love life and the Buckthals are moving back.

Burt: The only problem with living on the Gold Coast is finding parking places for my real Porsche and the Turbo.

George: Linda, you know what's so nice about your teaching job is the certainty of that pay check every two weeks.

Brian: It's been a good year. I sold a few of my Porsches, lost a Mercedes, and found the Buckthals.

Sue: My plants grew and my Mercedes flew.

Herr Peter and Frau Fischer see everyone under pleasant circumstances. Usually when you see Peter your Porsche is sick.

John: Rich, would you insure my Porsche?

Rich: I'd rather insure against Redszus being late.

Pam: How do you like the dirty dozen and the club?

Janet: That's like asking a person how their sex life is, it's a question you don't answer. Actually dirty is the wrong name for them and there are not twelve. They should be the odd eight.

Gene: This Concours winning is becoming old hat.

Gaby: I like the silver, but when are you going to drive the car?

Erwin: I've been casting lustful eyes on the 924 Turbo.

Becky: You do that and I'll covet my neighbor's husband.

Erwin: Him, he runs on no lead Geritol.

Ray: Ruthie is going to do so well in our cross country ski business with all the snow forecast that I'm going to retire from the University and live off the fat of the land.

Marion: It's so nice to see you all again, just like old times.
Wayne: All except for my barn. It was a real barn burner.

Frank: After beer and cars, I like nice cleavage.
Terri: Is that all you guys think of, sex?
Frank: Hell no, I said that is after beer and sex.
Sue: I bet I can make you forget your first two priorities.
Frank: Women are a dime a dozen, but the dozen is the dozen, and a double six pack is the dozen's dozen.

Bob O.: I feel like Alexander the Great, no more trophies to win. I won everything but the love life trophy.

John: We're really going to miss you all when we move to Dallas.
Gail: We plan to return for Elkhart and listen to the Cowboys with Gerow.

Bonnie: I'm in a state of shock. This is our fifteenth dinner dance, our son is starting college and our 911 still isn't together.
Jim: I'm not any older, just better.

Walter: I've had it with these jokes that I should be driving a Datsun, just wait till you see my black 911 with all the trophies about it.
Mae: He can even drive it on Dec. 7.

Dan: I'm so happy to be in the drapery rod business even if I'm just storing them. Anyone want to buy a 50 foot long paper shredder.
Sandy: I would be perfectly happy if you'd sell the other junk machine, the yellow 911, and buy a new 911SC.

Bart: It's true, I have a new job, a new house, no voice, a rolled VW bus, two kids in college and I no longer drink beer or smoke cigars.

Mrs. Bart: He still has some vices, the Bartmobile and ex-friend Gallagher.

Tom: Maybe we should go on another Treffen.

Randee: You just want to buy a new 924 Turbo.

Tom: A Turbo Treffen.

Vince and date celebrate that his 914 is still alive and well and not living in Washington.

Bob: I've really enjoyed myself since I've joined the club, I've learned how to drive and made many new friends.

Cindy: I don't believe this is all for real.

Rip: I'm so glad Dave was late, what with my wife ill, I was by myself.

Barb: Dave was late for his own birth. His calendar watch is still on September.

Neil: Judy thinks I sold the 911SC to get the Turbo, but it's really in a trailer at my business.

Peter and Kim celebrate the fact that Peter hasn't crashed his 924 lately.

Nick and friend discuss the merits of his very fast white 911SC which he affectionately calls the White Shadow.

Dick receives congratulations for a job well done for 2 years from our new lady president, Wild Willy White.

Dan receiving thanks for writing these captions for 9 years, Diane receiving praise for staying with Dan.

Two very childish drunken members show us the latest dance, the fairy hop.

Date: Sunday, February 17, 1980
Time: 1:00 - 4:00 PM
Place: Volkswagen of America
Apprentice Training Center
3737 Lake-Cook Road
Deerfield, Illinois 60015

This year Brian Allman has put together a workshop on the proper restoration of your Porsche. A slide show depicting the actual exterior restoration of a 911S will be presented and the finished car will be on hand for viewing. In addition, he will also feature Rip Patterson who will discuss metal working techniques and general 356 restoration problems. The replacement of a 901 series front "pan" will be a highlight of Rip's presentation. A question and answer period will follow so that specific questions can be addressed. A short discussion of the two stage painting process will conclude the event.

Although primarily aimed at the 356 and 901 series models, this should be an interesting and informative session to all those who are considering restoring the family jewel!

Refreshments will be on hand, thanks to our kind friends at VOA. Dinner will be at Han's Bavarian Lodge, 931 N. Milwaukee Ave., Wheeling, Ill. Choice of dinners are Roast Sirloin or Stuffed Chicken Breast. A childrens' dinner of hamburgers with fries will be available. Register early. We need a head count for the restaurant 48 hours in advance. The price of the event is \$1 per person.

The Ice Gymkhana is history now, we are well on our way to another fantastic year. The February event sounds like it will be both informational and enjoyable. Brian is hard at work putting together a program for those of us who cannot afford to buy a new Porsche, and that includes a goodly number of us, especially those of us not getting paid.

The March rallye will be fun. Some of the roads were just made for Porsches. When we see a curve arrow that looks like a snake, we know we will just have to work that road into the rallye somehow or another. Mae and Walter are getting some pointers on how to set up a rallye, and they are another set of ideas to put into the event. So come on out to the events. The only way to feel that you are a part of this club is to get involved. If the only involvement you have is reading about the events in this

paper, you are missing what PCA is all about. We have a lot of neat people in the club, but if you never show up at an event, you'll never get to know them. So let's see a lot of new faces at the coming events, we'll be looking for you. You'll know me, I'm the one who gets everyone's attention because I'm so quiet. See you soon!!
