by Jackie and Dennis Raucchi

In case you haven't noticed, we have changed the typestyle and format of the "Scene." We hope that the new look meets with your approval. (And if it doesn't—too bad. We're the newsletter editors, and you're not. But, if you would like to be, please contact us.) On a more serious note (although we're seriously looking for successors!) We chose a new typestyle and changed the look of the newsletter to make it easier to read and to give it a "fresh" appearance. (If you still can't read it, see your eye doctor.) Okay, enough of this silliness.

First of all, we wish our friends a happy and healthy New Year and hope to have a good Porsche year in 1986.

Beginning with the December, 1985 mailing of the newsletter, mailing labels and information for the calendar/directory are being supplied by a computer service. If you have a change of address or a correction to any of the information, please let us know. Hopefully, this new system will speed up delivery of the newsletters and updates and additions to our mailing list can be done quickly.

We would like to thank Neil Holleb and Brian Allman for supplying mailing labels to us in the past. Neil's company will be printing the calendar again this year. It will be mailed to you sometime in the near future.

Public Service Announcement: "Only you can prevent Porsche Burn-Out!" As you probably notice, the same people run events and take on the responsibility of seeing that we all have plenty of fun. But after running the same events year after year after year, these people are susceptible to "burn-out." We know you have heard this before, but why not volunteer to help at an event. Even though you may not be ready to take on running a rallye all by yourself, you might have fun pre-running the rallye, or working a checkpoint.

We all love the Elkhart weekends. As you can well imagine, such events take a great deal of planning, and many workers are needed. Wouldn't you like to learn to do timing? Or for those of you with lesser aspirations, stick around Sunday afternoon and help pick up the pylons! No experience needed.

All events require help from the membership in general. There are so many things that need to be done that no matter what your expertise or lack thereof, there is something you can do to help.

Since it is the beginning of a new year, and this is the time for resolutions, make one to be more active in PCA Chicago Region in 1986. Note: Writing an article for the "Scene" has been known to make people feel great! It will give you a real sense of satisfaction and will prevent another dreaded malady—Newsletter Editor Burnout!

Would you answer this ad?

"Chicago Region of PCA is looking for a strong planning and administrative specialist to play a role in administering and planning the future (mainly the next twelve months. You may be terminated at the end of that time period).

As PCA Region Senior Planning and Administrative Specialist, you will have project responsibility for providing planning/administrative support for the following operating divisions: Autocross Division, Concours Division, Social Division, Rallye Division, Membership Division, Goody Store Division. In addition to said responsibilities, you are to identify and analyze Porsche trends, Porsche technology, club member requirements and needs. Most members of the organization are Type A personalities (people on the cutting edge)—Movers and shakers who are used to nothing but the best as indicated by the cars they drive.

Your credentials for success should include a degree from a seminary (hopefully where you learned to pray a lot), and preferably a statement that you were with Moses when he received the Ten Commandments; superior skills in analysis, problem-solving (sometimes we have a lot of problems); communication; a proven ability to work with others in resolving complex problems and issues; and several years of liking sadistic experiences.

We offer a non-competitive compensation and benefits package, but promise a lot of fun and opportunity to contribute to an organization that you have taken from in the form of fun, social experiences, technical knowledge, driving knowledge, etc. for many many years.

We are an affirmative action/equal opportunity employer (as indicated by allowing a person of your questionable character to answer this ad).

P.S. Don't call us, we'll call you."

Kidding aside, I am honored to be the President of one of the most active Regions in PCA history. There are a lot of new faces on the Board and serving as Coordinators. The club is only as good as the membership that supports it. If you are interested in participating and helping more with the events, please contact a Board member or Coordinator. Your contribution is welcome.

We already have a busy year planned out in all areas of Porsche activity. These will all be in your Region Calendar which you will receive in January.

Thank you for your future support in 1986. Let's make it another great year for Chicago Region PCA.

## In Die Vergangenheit by Ginny & Bob Gummow

### January 1961:

106 members attended the Annual Dinner Dance at the Charcoal Broiler in Waukegan. Outgoing President, Dick Jacobs, handed the reins over to Werner Voegeli. Membership stood at 201 and there were 33 applicants. Bill Sholar's "Made by Hand" Porsche-factory film was viewed for the first time.

### January 1966:

The Annual Dinner Dance was held at the Chateau Louise in Dundee. We enjoyed an 8-course dinner for \$5.75 per person and there were door prizes. Harold Beach took over the Presidency and John Nelipovich the newsletter.

### January 1976:

The Annual Dinner Dance was held at the Biltmore in North Barrington—no snow this year. It was sorely missed, especially by Dan Gallagher. Doug Beach and his ensemble furnished the dance music and when the band folded their tents the hangers-on joined Charmaine at the piano for some early morning sing-alonging. The Biltmore eventually shut us off and sent us on our homeward ways.

Brunch at the Atrium by Pete and Nancy Consolo

---

An enjoyable time was had by all who attended a delicious brunch at the Atrium Restaurant in Rolling Meadows, Illinois on Sunday, November 24. The selection of entrees started with fresh papaya juice and a large salad bar. The main courses had all the usual favorites with desserts of fresh fruit and various cakes.

Afterwards the men settled in to watch the Bears shut out the Atlanta Falcons while the women made an early Christmas shopping trip to Waccamaw Pottery.

A special thanks to all who brought out their Porsches and to Sheila Zann, the event registrar.

"Brunch is \$11.00 per person, and for an extra \$1.00 you can see Linda Gutmann's tongue!"

Arnold: "Too bad you forgot your teeth, the food is really good!"

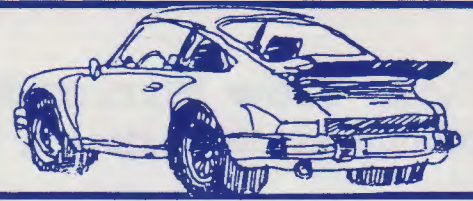

Jim: "Ours is a strange and wonderful relationship—you're strange and I'm wonderful!"

Jim: "I wonder if I can get my dollar back."

## Concours Guidelines For the 1986 Season

These guidelines are formulated to promote enthusiasm and encourage participation by all members of the club. They apply to all scheduled concours for 1986.

**Article 1:** The entry fee will be waived for those cars entered for the first time. Only members will be eligible for trophies.

**Article 2:** At the first concours entered, the entrant will be the sole judge of which logical class his car belongs to on the basis of its preparation.

**Article 3:** Entrants in subsequent 1986 concours must stay in the same class they originally signed up for or move up in class, but may not regress to a lower class. Entrants in any of these future concours, who have not participated in a previous concours for the season, will again be the sole judge of which logical class they belong to on the basis of their preparation.

**Article 4:** One car shall make a class.

**Article 5:** No bonus points for authenticity; no penalty for lack thereof.

**Article 6:** Placement of points leading to year-end overall awards will be skewed in favor of the higher classes as follows:

Class	1st	2nd	3rd	4th	5th	6th
A	18	16	14	12	10	8
B	15	13	11	9	7	5
C	12	10	8	6	4	2
D	9	7	5	3	1	0

**Points Earned Do Not Necessarily Earn Trophies.**

**Article 7:** In addition to the point system specified by the PCA-Chicago Region, the following criteria for age and mileage points shall apply: **AGE:** One point per year after the first three model years to a maximum of ten points. 1986/1985/1984 = 0 points, 1983 = 1 point, 1982 = 2 points, 1981 = 3 points, 1980 = 4 points, 1979 = 5 points, etc. **MILEAGE:** One point per 10,000 miles after the first 10,000 miles to a maximum of ten points. Zero-10,000 = 0 points, 10,001-20,000 = 1 point, 20,001-30,000 = 2 points, 30,001-40,000 = 3 points, etc.

**Article 8:** Judges and trophy structures will be at the discretion of the concours chairperson. Any and all protests will be considered on the basis of common sense, fairness and sportsmanship. In the absence of all three, any and all protests shall be generally ignored.

Concours Classes	356/911 912/914	924/928 944
<b>Class A</b> exterior/interior/trunk/engine/ undercarriage .....	300 pts.	300 pts
<b>Class B</b> exterior/interior/trunk/engine	235 pts.	235 pts.
<b>Class C</b> exterior/interior/trunk .....	180 pts.	173 pts.
<b>Class D</b> exterior/interior .....	134 pts.	134 pts.

Maximum points obtainable above do not include age and mileage.

Although it is several months before the first concours of 1986, Bruce Janecek, Concours Coordinator, felt it would be a good idea to run the Concours Guidelines to familiarize everyone with the classes and point system involved. If you have any questions concerning this information call Bruce at 312/246-5492.

## Auto Biographies

**Ron and Jackie Caudle** of Rolling Meadows have been members of PCA for 6 years. They own a 928S and enjoy skiing, boating, horses, and fishing. Ron and Jackie have two children, Kristine and Craig. Ron is a sales manager-computers. Ron says that he enjoys doing mechanical work on his Porsche.

**James P. Fuerstenberg** has been a member of Chicago Region for less than a year. Jim owns a 1970 914-6. An attorney by profession, he lists sports cars, cars with fins (?), photography, science fiction and music as other interests.

Jim says: "This is my first and probably not my last Porsche, after trying numerous other mostly unreliable sports cars, whose names will not be mentioned (unless you ask)."

**Timothy R. Poisson** of Chicago owns two Porsches: a 1961 356B T-5 Roadster and a 1964 356C Coupe. He and his wife Ardes are also new members, having joined six months ago. Tim is the vice president of Rocheleau Gourmet Salad House in Chicago. Other interests and hobbies of the Poisson's are sailing, jazz, art, skiing and photography. When asked what

they would like Chicago Region members to know about them, the reply was: "We enjoy the older 356 Porsches for their craftsmanship, quality, and ease of fixing and working on. The owners of 356 Porsches are great people to party with and relate war stories on the cars. Sailing is No. 1 during the summer when we are not driving our cars. Skiing is No. 1 in the winter, because we don't drive our cars during the winter. We like to have a good time, fine wine and good food!"
