

APRIL - 1964

MARCH DINNER-- Another well attended event. It takes a social event to bring out the "other car" of the family, and the parking lot displayed a few of these. (A Panhard?)

Dick Bitterman brought his lovely fiancée, Bindy, and passed along the happy news that they are planning to be married April 29. Best wishes to both of you.

Every segment of the meeting appeared to be a success, but John Moyer's very informative travelogue on Jamaica must certainly come out on top. This group just isn't that still that long without proper motivation. Thank you, John, for taking time from your very busy schedule to present this program to your fellow PCAers.

PLASTIC NUMBERS-- We are still missing Nos. 1 and 17. Please don't forget to bring them to the April event.

NEW MEMBERS-- We welcome the following new members this month: Werner & Nora Fleischer, Joliet; Ted & Joanne Good, Park Ridge; Henry Grimme, Chicago; Dick & Ilse Kashner, Chicago; and John & Marianne Roderick, LaGrange Park.

POETS' CORNER--

Blessings on thee, little man,
Barefoot boy with cheek of tan!
With thy down-turned blood-shot eyes,
And thy head that's oversize;
With thy red lip, redder still,
Kissed by broads on a Wilmot Hill;
With the sunshine on thy face,
Taking in the Porsche race;
From our hearts we give thee joy
At our Parade, o' barefoot boy! ... WITTIER

PORSCHE PRINT-- For the benefit of those who did not attend the dinner meeting, here's a little more information on the fabric being printed. The print will be an all-over print with front and side views of Porsches and the Porsche crest, in outline. The colors will be black and gold (official 9th Parade colors) on white, and the overall effect will not be overwhelming. It should be a very versatile print. Place your orders with Jeannine Liautaud, 293 Jefferson Road, Roselle, Illinois. The material will be mailed to you as soon as Jeannie receives it from the mill.

PARADE NEWS-- 009 reports things are shaping up. Be sure to mail those registrations to Harry Willwerth. Bear in mind, it may be some time before there is another Parade so convenient to attend; and where else can you meet fellow Porsche Pushers from all over the U.S. and even the Virgin Islands. This week is a must -- just ask any Parade veteran.
