

AUGUST-SEPTEMBER - 1964

LYNNDALE AUTOCROSS-- Over the hills and through the woods to Lynndale Farms we go-- 31 competitors and a large number of spectators made the scene and proceeded to demonstrate "Porsche Enthusiasm". Man, dig those crazy streetcars off their trolleys!

Hal Zimdars installed larger jets and ran those meatballs through to come up with an easy 1st in class, making only one run. HOWEVER, the Kotter-Kids from Chicago again proved that winning is not accidental for them by each taking home a 1st in class, Elaine even finding the time to mow the weeds on the corners in the process.

The weather was perfect and Event Chairman, Bob "Fats" Jenkins and pretty Kay, with the help of their beer-city gang, are to be commended for their efficiency, which provided everyone five timed runs.

Following the event everyone adjourned to the Red Balloon for cocktails, awards and dinner. Results were as follows:

STORK CLUB-- Dottie Rogginger reveals "Friend" after many months of suspense. Ricky (Wee Rotten) made his debut July 30. Due to a delay in production, this news missed appearing in the last newsletter, by only one hour. We hope this new pit crew member develops a talent for body and fender work.

CUPID SCORES AGAIN-- Jim Gronneman brought his lovely fiancée, Rosalie Fassiotto, to the Lynndale event and informed us that they are to be married Sept. 19. Congratulations and Best Wishes. Wouldn't Door County be a lovely place to honeymoon?

NEW MEMBERS-- Bob Ayres, Northbrook; Dick & Helen Cole, Grayslake; Otto Gartner, Chicago; Mr. and Mrs. R. M. Henneberger (transferred from Western Michigan), Markham; and Carlos and Sally Phillips, Glenview. Welcome to Chicago Region-- we're the greatest.

PORSCHE PUSHERS' DINNER -- Jerry Tannenbaum of the Milwaukee Region has made arrangements for another of those fabulous spreads at Whitey's Altona for PCAers wanting to socialize during the Road America 500. See page 4 of this newsletter for details and reservation form.

6TH ANNUAL POOR MAN'S TREFFEN-- How're you going to keep them down on the farm once they have seen Door County? We already have 27 early birds registrations!

The Rally, laid out by our President and "Little Bird", will be all on hard roads and incorporated into the route up. It will be self-starting near the Door County line and end near the lodge. You may start at any time you reach the starting point up until 4 P. M. If you do not reach the start prior to 4 P. M. you will not have time to complete it before dinner. Rally instructions will be mailed to all registrants one week prior to the event.

Following dinner Saturday evening there will be a FUN Gymkhana and the driver and navigator will participate together in this event.

Each car, on arrival at the lodge, will receive a packet of maps and brochures on points of interest in Door County. Sunday morning will be for your individual pleasure-- sleeping, swimming or driving around the county. There will be one conducted tour; details will be announced Saturday evening.

Sports clothes will be the week-end attire. The facilities of the lodge will belong to the Porsche exclusively. Be sure to pack some warm clothing as it can get rather cool on the lake in the evening. It may also be pleasant enough to take a dip so tuck your bathing suit in a corner too.

Following dinner Sunday noon, awards will be presented ten places down for both the Rally and Gymkhana, and everyone will be on his way home in ample time to reach the State Line before dark.

The event fee must be paid for every car attending the event, whether they participate in the activities or not. Fill out the event registration blank on the following page and mail with check, made payable to PCA/Chicago Region to : Bob Gummow, R. R. 1 Box 291, Rockton, Ill. 61072 Phone Area 815 624-5193.

The accommodations reservation form must be accompanied by a \$5.00 deposit, made payable to Glidden Lodge and mailed direct to the lodge. Accommodations for the event will be \$14.50 per person and include dinner Saturday evening, breakfast Sunday morning and dinner Sunday noon, and best of all-- a bar discount.
