

JULY - 1964

POTTERS' PICNIC & CONCOURS-- What is so rare as a day in June?--A day in July with 80 enthusiasts turning out for draft beer and charcoaléd brats. The threat of rain never materialized but the cool north wind remained with us throughout the day, making us really appreciate Potters' heated indoor pool.

The activities varied between quaffing beer, shopping at the Goodies Shoppe, pouring over a large collection of Harold Beach's photos taken during the Parade, consuming brats, preparing the Porsche for the microscopic inspection later in the day, and just plain chinnin'.

Following lunch everyone was shooed from the meadow and the Concours Committee took over. Concours Chairman, Judge Voegeli, assisted by Jack "009" Cooper, Harold Beach and Jim & Bonnie Gladish, after sticking their fingers down everyone's oil filler pipe, came up with the following results:

<u>PLACE</u>	<u>NAME</u>	<u>YEAR</u>	<u>POINTS</u>

2	Waldo Schrepfer & Bev	1962	88.23

4	Dottie Rogginger & Friends	1960	76.90
5	Tom & Judy Grunnah	1964	76.16
6	Ray & Ruthie Stonecipher	1962	68.96

8	Al & Betty Schueneman	1964	64.34
9	John & Kathleen Remiorz	1964	62.92
10	Dick Cole	1964	61.58
11	Dave & Bernie Morrell	1961	60.54
12	Dick & Bindy Bitterman	1961	59.42
13	Walter & Terry Kitt	1964	43.76

Overheard in the Concours area prior to the judging from new member Al Schueneman, "If anyone had told me a week ago I'd be doing this, I'd have told him he was crazy!" Speaking of the Schuenemans, they and the Bill Nielsons drove 180 miles from Kewanee to attend this event. These are indeed enthusiasts.

We were pleased to have guests from the Pacific Northwest Region, Ken & Rikki Olson, who were visiting relatives and friends in the area, and are on their way to Germany for a couple of years.

Did anyone notice the gentleman in the suit wandering around snapping pictures? The result was a half-page of pictures and a nice write-up of the event in the Fox River Grove paper. This we would like to see more of.

Many people helped throughout the day. Thanks go to Ray Kitterman for directing the parking; Doris Beach for handling registration and the Goodies Shoppe; Frank & Judy Kucho, Carolyn Cooper, Dottie & Friend, Ruthie Stonecipher, Mary Voegeli, Sally Potter, Kathie Cooper and Mrs. Robert X for charcoaling the brats; and our event co-chairmen, Farouk and Ray Stonecipher.

Thank you once again, Wayne and Sally, for inviting this fun-loving mob to invade your premises. As always in the past, we thoroughly enjoyed ourselves.

NEW MEMBERS-- Since our last newsletter Brooke & Dolores Boering, Chicago; Albert Iorio, Rockford; and Tom & Judy Grunnah, Park Ridge have joined the ranks of the "Swinging Chicago Region". The Grunnahs have the distinction of becoming our 200th membership, which is the first time this milestone has been reached since losing many members through the formation of new regions at various times-- Milwaukee, Indianapolis, Iowa and Lincoln Trail. A suitable memento is being prepared to commemorate this occasion and will be presented to the Grunnahs in the near future.

6TH ANNUAL POOR MAN'S TREFFEN, SEPT. 26-27-- Here's more information on this eagerly awaited annual event. We have obtained the exclusive use of the facilities of the Glidden Lodge located at the water's edge of Sturgeon Bay, reputed to have the best food on the peninsula. Activities for the week-end will consist of a brief rally incorporated into the route up (30-40 miles); a fun gymkhana which both husband and wife can enjoy Saturday evening, as well as live entertainment to be provided by the lodge; and conducted tours of Door County Sunday morning. To top this off, the Lodge is giving us a bar discount.

The cost of the week-end will be \$14.50 per person, including tax, for the lodge, plus a \$3.00 per car event fee. The \$14.50 includes your room, a New York Strip Sirloin barbecue Saturday evening, a good old Dairy State breakfast Sunday morning and dinner Sunday noon. Awards will be presented immediately following dinner Sunday in time for everyone to be back in Illinois before dark. An early-bird reservation form for the Lodge accompanies this newsletter. MORE BOUQUETS-- We have been receiving many fine comments on the 9th Parade through letters and newsletters from other regions. The Northeast Region devoted an entire page of their newsletter to telling their absentee members what a good Parade they missed.

In addition to our Parade Committee consisting of Jack "009" Cooper, Chairman; Harry Willwerth, Sec'y; Ron Rogginger, Treas.; Ray Stonecipher, Door Prize Procurer; and advisors Phil Liautaud & Bud Blake; we would also like to convey our thanks to the chairmen of the various events: Hal Cowen, Concours; Jim Gladish, Autocross; Dave Morell, Drivers' School; Jack Cooper, Porsche Race; Wally DeNyse, communications & flagging; Jerry Tannenbaum & Waldo Schrepfer, Rally; Paul Fontainer, Tech; and to their numerous assistants.

LYNNDALE AUTOCROSS - AUGUST 16-- Who threw the meatballs in Harold Zimdars Zeniths--  
or, bring a bag, we're going after Milwaukee's hardware.

This month's event, hosted by the Milwaukee Region, will be held at beautiful Lynndale Farms. This course is a delight for spectators as well as for drivers. Unlike Meadowdale, from the start-finish section of the track you look down into a grassy, tree-studded valley and can observe almost the complete course as the cars make their circuits.

The cars will be divided into three classes, in addition to a separate Ladies' Class, and awards will be presented to the first three places in each class, in addition to a trophy for best time of day.

The event will be followed by Dinner at the Red Balloon. Order from the Menu.

You must have seat belts to participate and bring a helmet if you have one. We suggest you remove your hub caps and any other unnecessary items at home.
