

MARCH - 1964

PORSCHE CLUB OF AMERICA  
NINTH PARADE

'64 HOSTS CHICAGO REGION  
JUNE 14-19

ICE GYMKHANA -- Waldo, my boy, you've done it again! 28 Porsches vied for the Pewter Goblet in the III WINTER ICE SLALOM, spurred on by a less hardy contingent of highball hoisters perched on bar stools observing the competition thru plate glass windows.

After everyone had had his 5th timed skid, we all withdrew from the ice to the Pink House to unseat the cheering section briefly before sitting down to a delicious family-style dinner of fried chicken and roast beef.

Lovely engraved pewter goblets were awarded the 1st place winners. Listed below are the survivors of this frozen fracas, in order of finish:

ATTENTION GALS!!! -- How would you like some 100% pima cotton in an exclusive 2-color Porsche print for a blouse, a shift, curtains, etc? This material is being made special for us and will be available only thru the Chicago Region. Jeannine Ljautaud will start taking orders at the March meeting, so be figuring your yardage requirements. The fabric will be 36" wide and \$4.00 per yard. Let's see all of you whip up something special for the Parade. If you're interested in the material and cannot attend the meeting, Jeannine's address is 293 Jefferson Road, Roselle, Illinois.

PARADE NEWS -- Good news for area members planning to attend the Parade (aren't we all?) who may wish to commute between home and Nippersink, or any of you who cannot spare the entire week but would like to get in on some of the fun. This will be possible -- you need only send in the registration fee and this will enable you to participate in any or all events, and meals will be available on an individual basis at the following rates: Breakfast, \$2.00; Lunch \$3.50; and Dinner \$6.00. The March issue of Panorama will contain a Parade Preview and your reservation blank.

While we're on the subject of the Parade, I'm sure everyone realizes something of this sort cannot be accomplished without much hard work, and our Parade Committee and their wives have been doing just that. However, much more help will be needed during the Parade. If you are planning to attend and are willing to devote some of your time to making this undertaking (courtesy of "Coopers") a huge success, please get in touch with Ray Stonecipher at the March meeting or 7828 Luna Ave., Morton Grove (Phone 966-9632).
