

MAY - 1964

WINDSOR SLALOM -- Well, the sun didn't shine, but neither did the threatening heavens open up. We got the official tally of Porsches from the attendant at the Route 20 Exit of the tollway-- 34 participants in the Men's Class and 7 in the Ladies' Class, plus a smattering of spectators.

The thrill for the day was provided by Hans Eckhardt, cornering Honda fashion on two wheels! The fastest time was scored by a pair of simians with a wheelbarrow, but they didn't get the goblet as our rules specifically stated "Porsches only". '009' took the "Gray Ghost" around the course in an iron handling demonstration-- in reverse yet. We don't know how it could possibly help, but if a noisy exhaust does, Clarence and Elaine Cotter proved it by walking off with both pewter goblets. Listed below are all participants in order of finish, and their fastest times:

From what we could observe everyone seemed to enjoy this event, and we would like to thank Bob Phillips, Waldo Schrepfer, Clarence Cotter, Ray Stonecipher, Elaine Cotter, Bev Searfoss, Mary Voegeli and Bonnie Gladish for their assistance.

NEW MEMBERS-- This month we welcome the following new members: George Dickinson, Palatine; Hugh and Mildred Price, Elmhurst; and Jack Triska, Chicago, a transfer from Metropolitan New York Region.

POTTERS' SALLY-- We hear Sally lost an argument with a tow truck in an early morning fog, ending up with a hand and a knee in casts. She spent a few days in the hospital, but she's home now. Shake those casts soon, Sally, and our best wishes for your speedy recovery.

For those who may not remember, Wayne and Sally Potter are our gracious hosts for those July picnics and swim parties we've all enjoyed so much in past years.

*July 12th to be
Potter's Picnic*

PCA/MILWAUKEE-- The Milwaukee Region is sponsoring an Autocross at Lynndale May 24, and our members are invited to participate. This is a beautiful track for both driver and spectator. Carroll, Oak Creek, Wis. The event will be followed by a spaghetti dinner @ \$1.50 per person. Lynndale is located on County Trunk JK off of Hy. 16, north of Pewaukee.

Between the dark and the daylight,
When the night is beginning to lower,
Comes a pause in the day's occupations,
That is known as the Cocktail Hour....

AUF WIEDERSEHEN-- Word has been received from the Eastern Pennsylvania Region that they have been practicing for the Parade cocktail parties by having one extra cocktail at each of their monthly meetings. It doesn't seem right that we should not make some effort to retain this distinction and we have the perfect opportunity to do just that May 9. The 148 PCA members from various regions will be arriving in Chicago for their departure on the 10th on the 6th Treffen to Europe. We thought it would be fun to get together with them for cocktails and some socializing. A private room and bar have been arranged for, and cocktails will be followed by a showing of Bill Sholar's Porsche film "A Way of Life". Bill shot part of this film at last year's Parade and at Wilmot last summer. Other regions that have seen it report that it is excellent. No formal plans are being made for dinner. Dinner will be available at the restaurant for those who may wish to dine there, but you're on your own as to the arrangements.

Sunday, May 10, pack up the kiddies and take them to O'Hare to bid everyone Auf Wiedersehen... many of our region's members will be among the departing. Take-off time is 6:30 PM, Lufthansa Flight #CH863. Be sure to arrive a little earlier.

DATE: SATURDAY, MAY 9

TIME: COCKTAILS 6:00 PM

PLACE: Garnette Restaurant, Concord Motel, Mannheim (Hy. 12-45) & Higgins (Hy. 72)

That does it until the Parade is over-- we'll see all of you there.

Don't forget, send changes of address to National and to us, and also send us your news and For Sale items. Please note, we have a new phone number:
